OFFICE MEMORANDUM

Subject: **Medical OPD facility to spouse of the deceased Institute employees.**

The IIT Kanpur Pensioners & Retired Employees' Association had submitted a request regarding the subject matter.

As per present practice and with reference to the decision of the Board of Governors taken in its meeting held on 09.03.1991, the Outpatient Medical Facilities (OPD) at the Health Centre was extended to the spouse of the Institute employee, for a period of five years after the death of the Institute employee. No referral/ re-imburement facilities were extended to them. Further, they have the option to choose either the OPD medical facility from the Health Centre or ₹. 300/- per month (present rate), as fixed medical allowance (FMA), in lieu of OPD medical facility.

The Board of Governors in its 2013/5<sup>th</sup> meeting held on 30.12.2013 had considered the above request. The Board noted that since the family pension is admissible to the spouse of the Institute employee after the death of the Institute employee for life long, therefore the OPD medical facility may also be extended to the spouse of the deceased Institute employees taking compassionate and sympathetic view.

In view of the above, the Board had approved that **the OPD medical facility be extended to the spouse of the deceased Institute employees till the death of spouse or till he/she withdraws the OPD facility and opt for ₹. 300/- per month, as fixed medical allowance.**

All concerned are requested to take a note of above.
