S. No.	Research Area	Name of Faculty Member (Optional)
1		
2		
3		
4		
5		
6		
7		

Guidelines for thesis supervisor allocation

1. The students must talk to each faculty member in the specialization and give his/her preference for research area/thesis topics on the prescribed form.
2. Providing the name of faculty member on the form is optional.
3. There should not be any pre-selection among students and faculty members.
4. The allocation of thesis supervisor will be done by DPGC as per department policies.
