

M TECH ADMISSION RESULTS

The following candidates are provisionally admitted to the Chemical Engineering M Tech programme. To accept the offer, the candidates are required to send a demand draft (DD) for amounts specified below:

GEN-OBC(NCL) Candidates:	Rs 22317
SC-ST Candidates	Rs 17317
Physically Disabled Candidates	Rs 17317

DD should be drawn in favor of **Registrar, IIT Kanpur**, and reach us latest by Jun 07, 2017. Send DD by SpeedPost to **The Head, Department of Chemical Engineering, Indian Institute of Technology Kanpur, Kanpur – 208016 (UP)**. Should the DD not be received by the indicated deadline, the offer stands cancelled and students in the waiting list shall be made offers to fill up the vacant seats.

Please note that in addition to GATE score, weightage to other criteria such as B Tech marks, publications etc is also given. Further, reservations as per GoI norms are applicable. It is therefore quite possible that students with a lower GATE score are higher up in the merit list.

This information has been uploaded only to intimate the candidates their status vis-à-vis their application so that they can plan further. It is not a formal offer and queries with respect to this document shall NOT be entertained. Formal offers will reach via email and post in due course.
