Design Programme, IIT Kanpur was a part of the 22nd edition of International Engineering and Technology Fair (IETF 2017) organized at Pragati Maidan, New Delhi from 2nd – 4th February 2017. It was the biennial flagship event of Confederation of Indian Industry (CII), and was structured as a comprehensive B2B event, segmented into well-defined relevant sections of the Engineering and Manufacturing Industry.

IITK stall was setup by the following Design students and was very well visited. The students participated were

Asish Mohandas (M. Des. Final year)
Gautham T.R. (M. Des. Final year)
Sujoyt Dey (M. Des. Final year)
Pratiti Sarkar (M. des. Final Year),
Eshan Sadasivan (PhD. Candidate),
Kanishk Biswas (PhD candidate).
The students exhibited the following projects:

(1) Deskit  
(2) Interactive Inhaler  
(3) Dental Chair  
(4) Innovative drinking straw  
(5) Low Cost Chuck for Banaras Toy Makers  
(6) Off centric PM Impactor

Industry professionals from different backgrounds expressed their deep interest to collaborate with the Design programme at IIT Kanpur and also shared information related to investment opportunities. It was an overall great experience to exchange thoughts with the design community on a national level. Some pictures for the event are appended.
