NOTIFICATION

Following is in connection with Summer-2018 registration:

1. List of courses likely to be offered in Summer term – 2018 can be found at:
<http://www.iitk.ac.in/doaa/data/summer2018.pdf>
2. For giving choice(s) of summer course(s) (for UG and PG students) and for Thesis registration (for PG and Dual Degree students), the OARS portal will be open from 10:00 AM on 10th May, 2018 to 10:00 AM on 12th May, 2018.
3. Students will be informed about the allotment of course(s) as per their choices by 10:00 AM on 13th May, 2018.
4. If you fail to give your choice(s) of courses through OARS during 10th - 12th May, you may manually register for available courses on May 15 (for UG) and May 16 (for PG). However, in view of the arrangements mentioned in point 2 above, by that time some courses may have no vacancy. The course(s) allotted to you will be recorded as finally registered courses under your academic registration form in OARS.
5. UG students (including M.Sc. (2 Year) and dual degree students) should give choice(s) for summer courses only if they have made up their mind to do summer course(s). This is important in view of the fact that when a student is allotted a course which is in big demand, the other student is deprived of the course due to class size constraints put by the departments and/or instructors.
6. If you have been allotted course(s) but you are not keen to register for the same you must request to drop the same by sending email to Asst. Registrar, Academic Affairs at ar_acad@iitk.ac.in latest by 10:00 AM on May 14, 2018 failing which you will be considered to be registered in the allotted course and

hence, will be liable to pay the academic registration fee. In addition, since you will be considered to be registered in the course(s), you will be awarded a grade as per the course policy.

8. UG students (including M.Sc. (2 Year) and dual degree students) are required to sign the DOSA register and pay summer registration fee on 18th May, 2018.

9. PG students are required to sign the DOSA register and pay summer registration fee on 19th May, 2018.

10. The DoAA office has prepared a list of FAQs for summer registration of PG students. The same can be found at following link:
