

MEMORANDUM OF UNDERSTANDING

DATED THIS 22nd DAY OF AUGUST 2009

BETWEEN

INDIAN INSTITUTE OF TECHNOLOGY KANPUR

AND

UNIVERSITI SAINS MALAYSIA (USM)

This Memorandum of Understanding is dated this 22nd day of August 2009

Between

Indian Institute of Technology Kanpur (hereinafter referred to as “**IIT Kanpur**”), an Institution incorporated under the Institutes of Technology Act 1961, with its premises at KANPUR 208016 – India of the first part;

and

UNIVERSITI SAINS MALAYSIA (hereinafter referred to as “**USM**”), a public Institution of Higher Learning incorporated under The Universities and University Colleges Act 1971 with its main campus at 11800, Minden, Pulau Penang, Malaysia of the second part.

IIT Kanpur and USM shall be individually referred to as “a Party” or collectively as “the Parties”.

WHEREAS

- A. IIT Kanpur is a leading technical & technological institution in India incorporated under the Institutes of Technology Act 1961 and is declared as an institution of national importance by the Parliament of India. It is aimed at providing meaningful education, to conduct original research and to provide leadership in technological innovation for the industrial growth of the country.
- B. USM is Malaysia’s premier public university with research and teaching facilities, experience, and a multi-disciplinary team of experts from among its staff members to undertake the creation, development, dissemination and application of knowledge that can contribute towards achieving the Malaysian Government goal of nation building.

- C. Following discussions, both Parties wish to establish collaboration and explore opportunities through the setting up of a Centre of Engineering Excellence (CEE) with the following objectives:-
- To provide fertile ground for the development of human capital through students, academia and interaction with the industry.
 - To develop a supportive framework for the development of incremental technologies, for the benefit of all.
 - To tap into the resource base of all participants for the development and dissemination of knowledge and technology.
 - To provide a platform for development and commercialization of technology through a partnership of academia, applied research centres and industry.
 - To create a platform for the development of a greater mutual understanding and a forum for meaningful sharing of resources and knowledge.
- D. IIT Kanpur and USM recognize that working together on exploring opportunities and establishing a cooperative relationship would benefit both the Parties.
- E. This MoU sets out below the general framework and intentions of both Parties for collaboration for facilitation of further definitive agreements.

Now this MEMORANDUM OF UNDERSTANDING witnesses as follows:-

1. Purpose of this MoU

- 1.1 IIT Kanpur and USM shall, individually and jointly work through the Centre of Engineering Excellence to collaborate with the industry in four areas of:-
- i) Research projects;
 - ii) Academic projects;
 - iii) Special short courses and electives;
 - iv) Exchange of students and academic staff.

- 1.2 IIT Kanpur and USM agree that detailed terms and conditions of each activity identified above will be separately determined and agreed upon by the two Parties.
- 1.3 Both Parties shall endeavour to:
 - i) Provide the necessary personnel and expertise to enable the success of the collaboration;
 - ii) Provide the necessary facilities to enable the success of the collaboration.
- 1.4 This MoU shall form the basis of consensus for the Parties to examine the feasibility of this co-operation until such time when any other manner of agreement is entered into by the Parties upon terms and conditions to be mutually agreed upon.

2. Miscellaneous

2.1 Confidential Information

Neither USM nor faculty and team members of IIT Kanpur shall at any time disclose to any other third party, any confidential information of the Parties, acquired pursuant to this MoU without the written consent of the other Party.

For purpose of this MoU, "Confidential Information" means any information whether prior to or hereinafter disclosed by a Party (the disclosing Party) to the other Party (Receiving Party) in the course of this MoU involving technical, business, marketing, policy, know how, planning, project management and other information which is designated to be confidential or by its nature intended to be for the knowledge of the receiving Party, is given in the circumstances of confidence.

- 2.2 Neither USM nor faculty and team members of IIT Kanpur shall publish or otherwise make public the contents of this MoU and any confidential

information made available to each other without the prior written consent of the other Party.

3. Amendments

This MOU may be amended or supplemented in writing subject the mutual consent of all the Parties.

4. Non-Binding Nature of the MoU

Notwithstanding the statements and obligations herein, the Parties will not be legally bound until and unless a definitive agreement has been negotiated and duly executed by the authorized representatives of each IIT Kanpur and USM.

5. Validity of the MoU

This MoU is valid from the date of execution by the Parties and shall remain in effect for five (5) years upon the execution of this MoU. Either Party may terminate this MoU by giving one (1) month's written notice to the other Party. Notwithstanding the termination of this MoU, the obligations of the Parties in clause 2 shall remain and survive despite the due date and/or termination date.

6. Notices

Any notice or communication between the Parties must be delivered to the address, sent to the facsimile number or emailed to the following:
