

Evaluation Procedure:

Evaluation will be based on the following traits of the Software:

1. Completeness
2. Robustness
3. Algorithm used
4. User-friendliness
5. Error Messages and other reporting structures
6. Program Source Structure (readability, variable naming, indentation etc.)
7. Demonstration

Presentation and Demo will be only for the short-listed candidates.

Deadlines: Submission – May 11, 2012; Shortlisting – May 14, 2012; Tentative Presentation date – May 16, 2012
