In case, the contract is terminated, or it comes to an end by efflux of time, the contractor shall handover the vacant possession of the licensed premises within 15 days of contract coming to an end. Failure to handover the vacant possession of the premises as aforesaid, would render the contract to pay the penal damages to the Institute @ 50 times of the existing flat rate license fee of the premises shall be charged for the 1st month which shall increase in telescopic method from 2nd month onwards i.e. for 2nd month – damages + 10% of rate of damages; for 3rd month – damages + 20 % of rate of damages. For 4th month – damages + 40% of rate of damages and so on, limiting to the maximum 5 times of rates of damages charged during the first month of unauthorized occupation or such higher rate as may be fixed by the Institute at its absolute discretion from time to time. The penal damages under no circumstances shall be subject to question and it is the specific term of this contract.

67. The Institute shall further be within its absolute rights to enter the premises and assume absolute possession of the premises licensed under this contract from the Licensee and the same shall not be subject to challenge. All the goods belonging to the Licensee in such circumstances shall be deemed forfeited there-from and may be sold or put to auction at the discretion of the Institute. The Institute may, if it so desires, proceed against the Licensee in terms of provisions of Public Premises (Eviction of Unauthorized Occupants) Act, 1971 since the entire premises is governed by the provisions of the said Act in case of non handing over its possession to the Institute as aforesaid.

Assignment & Subletting

- 68. The Licensee shall not assign the contract or any part thereof or any benefit or interest thereon or there-under without written consent of the Institute. The whole of the charge included in the contract shall be executed by the Licensee or his authorized competent representative(s). The Licensee shall be responsible for the acts, defaults and neglects of its workmen, fully being deemed as those of the Licensee itself.
- 69. If at any time, it is detected that the Shop/Outlet has been sublet or assigned to any other entity by the Licensee, the Institute would be at liberty to terminate the contract forthwith without giving any time to the Licensee and further to take over the possession of the given premises and/or to hand over the same to any other party at its sole discretion.
- 70. In case of subletting is proven, the rates of damages will be calculated as two times of damages (as mentioned in Clause 66 above) for 1st month; two times of damages + 10% two times of damages for 2nd month; two time of damages + 20% two time of damages for 3rd month; two times of damages + 40% two times of damages for 4th month and so on, limiting to the maximum 5 times of damages charges in such cases.
- 71. The entire business of the Shop/Outlet shall be carried out in the name and at the behest of the Licensee.
- 72. The Licensee or his authorized/competent representative whose intimation would be provided in writing in advance to the Estate Office, shall at all times be available in the shop and the business of the Shop/Outlet shall not be carried out by any other person/ entity under any circumstances.
- 73. In normal course, the Licensee or his authorized competent person should be available in the shop. However if for any reason, the Licensee is not in a position to be available in the shop consecutively for more than 3 days, a prior permission will have to be obtained from the Estate Office, failing which, it will be deemed that the Licensee has violated an essential condition of the contract and the Licensee may be dealt with in an appropriate manner for this default which may include adequate penalty at the discretion of the Institute.

Contract Documents and their interpretations

- 74. The original agreement shall remain with the Institute while a photocopy thereof may be had by the contractor, if it so wishes.
- 75. The several documents forming the contract are to be taken mutually explanatory to one another and in case of any ambiguities or discrepancies, the interpretations of the same shall be communicated in writing by the Institute through its competent authority to the contractor along-with the directions, if any, and the same shall be deemed to be final and binding and shall not be open to question incourt.
