NOTE

Subsequent to the implementation of new HAC-1 guidelines and based on the discussions in the meeting with the Director, DD, HAC-1 Chairman and the new Faculty members held on today at 1130 hrs, the following exception to the eligibility to Type-III ground floor houses may kindly be approved.

The new rule stipulates a lock in period of three years for lateral shift to type-III houses. It is proposed that this restriction be relaxed to the residents who have been allotted type-III houses (first floor and duplex) under the old rules.

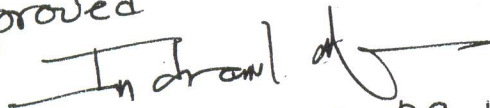

(Chairman, HAC-1)

May kindly approved
