

Information for participants of ICWM

For participants arriving at the Airport:

Volunteers will be present at the Rajiv Gandhi International Airport, Hyderabad on 16th August (from 9 AM onwards) outside the Airport exit point. There will be a special help desk at Hyderabad airport on August 17 for participants arriving for ICM or ICWM. Volunteers present there will help delegates to get transportation to their place of accommodation.

For participants arriving by train:

Volunteers will also be present at three railway stations Hyderabad (Nampally), Secunderabad and Kacheguda on 16th and 17th August to receive participants who have informed us about their arrival. There are two exit points at the Secunderabad station and ICWM delegates are requested to come out through the main exit only where the volunteers will receive them.

Accommodation for supported participants:

All participants who are supported for both ICWM and ICM have been accommodated in the National Academy of Construction (NAC)

All participants who are supported only for ICWM will be staying in Center for Organization Development (COD) guest house.

National Academy of Construction (NAC)

Opp. HITEX Exhibition Grounds,
Izzat Nagar, Kondapur,
Hyderabad – 500084
