Faculty Recruitment at IIT Rajasthan, Jodhpur

The Indian Institute of Technology Rajasthan is one of the recent IITs constituted by MHRD the Govt. of India in 2008. The Institute is operating since 2010 from its temporary Campus, Old Residency Road, Ratanada, Jodhpur and is mentored by IIT Kanpur. A sprawling 842 acres of land at Karwar is under development as the residential campus. The Institute plans to develop an eco-friendly new Campus of international standard with all modern facilities.

The Institute strives to attract faculty, students and scholars from India and across the world having a passion and commitment to excel in teaching and research. Faculty and students from different disciplines are encouraged to carry forward research on important technological, scientific and social issues challenging the contemporary world. The Institute aims at faculty-student-industry interactive participation to transform IIT Rajasthan into an outstanding Institute competent to address the challenges facing the Nation and the society at large.

Teaching and research activities of the Institute for Undergraduate (UG), Postgraduate (PG) and Ph.D Programmes are structured around various Centres of Excellence (CoEs) of the Institute. Each of the CoE includes participation in selected domains researchers from renowned academic and research institutions or industry from India and abroad, to carry out their research work in new/frontier areas. These CoEs with their multidisciplinary approach, ethos, diversity and multicultural work environment aim at transforming IIT Rajasthan into a world class institute.

Applications are invited from Indian Nationals (foreign nationals may also apply for contractual appointment) with a proven track record in teaching, industry and research for a position of Assistant Professor in the following disciplines:
