

Indian Institute of Technology Rajasthan

Director's Office

Dear Student,

Congratulations on your selection in the JEE and the opportunity to join the IIT Rajasthan. IIT Rajasthan is one of the new IITs started by the Ministry of Human Resource Development, Govt. of India, and has successfully completed its first academic year, 2008-09. The location of the IIT in Rajasthan is yet to be announced. Meanwhile, IIT Kanpur has been assigned the job of incubating the new IIT Rajasthan (GOI, MHRD Order No. F.No. 11-10/2008-TS. I (Pt.) dated May 9, 2008).

At present, IIT Rajasthan offers a 4-year B. Tech. programme in three branches viz., Computer Science and Engineering, Electrical Engineering and Mechanical Engineering, with an intake of 40 students per branch. The curriculum, course structure and syllabus, fee structure and other rules will broadly be the same as in the mentor IIT, i.e. IIT Kanpur. Students admitted will eventually be relocated to the place in Rajasthan where the new IIT will be established and have to give an undertaking to this effect.

Although your education at IIT Rajasthan is bound to be an enriching experience, at times you may feel lonely and isolated, especially at the beginning. During such times some sort of companionship and counsel are helpful. This is where the Help Desk, IIT Rajasthan, can assist you. The Help Desk was formed by the voluntary efforts of faculty members and staff, and you should feel free to discuss your fears and concerns with them. You may also approach the Warden of your Hostel regarding any help that you need. I strongly urge you to keep your parents informed of your academic performance and of any problems that might arise during your stay.

Many of you will come to IIT Rajasthan at IIT Kanpur with your parents/guardians for the orientation programme. Unfortunately, due to a scarcity of resources, it will not be possible to arrange accommodation for your parents/guardians at the Institute.

On your arrival for Registration on July 19, 2009, you are required to report to the Registration Help Desk, IIT Rajasthan at the H.No. # 512, Type V (near Central School), IIT Kanpur, Ph (0512)-2596254. The Orientation Programme will be held at the Outreach Building, IIT Kanpur. The academic and administrative activities of IIT Rajasthan will be carried out from the 3rd Floor, Helicopter Laboratory Building (behind the Aerospace Engineering Department), at IIT Kanpur.

Please do not bring laptops/personal computers, digital cameras/Handycams or any other articles of value. Please note that IIT Rajasthan does not allow students to keep any motorized vehicles like mopeds, scooters or motorcycles.

You will be required to undergo a medical examination, carried out by the duly constituted Medical Board under the Principal Medical Officer, IIT Kanpur. In accordance with the rules, confirmation of your admission is subject to your medical fitness. IIT Rajasthan offers Merit-cum-Means (MCM) scholarships to students who qualify on the basis of their financial need (parents' income less than Rs. 2,00,000/= per annum) and maintain a good academic record. Application forms for the scholarship will be available during the registration.

On behalf of the Institute, I welcome you to this wonderful campus, a place where, in addition to training students to become engineers, scientists, thinkers and leaders, we celebrate freedom of thought and vision, and encourage individual growth. I sincerely hope that your stay in IIT Rajasthan at Kanpur will be fruitful and enjoyable, and fully expect that your experiences here will be memories that you treasure for life. Wishing you the best, and looking forward to meeting you,

Sincerely,

Prem K. Kalra

Dear Parents/Guardians,

Congratulations on your ward's admission to IIT Rajasthan at Kanpur. I am confident that his/her stay at this distinguished Institute will be productive and enriching. In order to help our students adjust to their new surroundings, there are a few points on which we seek your cooperation.

Most likely, your ward will be staying in a hostel for the very first time. A little training and advice regarding efficient utilization of time will be extremely beneficial. If you live in Kanpur or a nearby city, please discourage your ward from visiting home too frequently. Although the Institute provides dormitory accommodation and necessary facilities, it can naturally never match home. A little adjustment and conscious effort has to be made by your child. Overdependence on parents should be avoided.

There will be faculty members and volunteers to help your ward with all formalities such as registration, bank account opening etc. In view of this, we discourage you from staying with your wards on during registration/orientation. However, you may like to participate in few sessions on the first day of the orientation programme. I would like to meet you personally during the informal session on July 20, 2009. Please note that you will have to make your own arrangements for stay in Kanpur. A list of hotels in Kanpur with their addresses/contact numbers is provided. Please note, too, that *parents/guardians are not permitted to stay in dormitory rooms with their wards*.

The Hon'ble Supreme Court, through a series of judgments, has reiterated its stand on ragging in educational institutions, and has directed the Heads of Institutions to initiate **strict action against students involved in ragging or any kind of harassment of other students**. Pursuant to this, the authorities of the Institute may resort to take action under criminal law against students found guilty of ragging/ harassment. **Parents are therefore strongly advised to direct their wards not to indulge in any form of ragging whatsoever**. Any form of ragging should be brought to the notice of the authorities for immediate action.

Wishing you and your ward the very best,

Sincerely,

Prem K. Kalra

Director

COUNSELLING HELP DESK

Who we are

The Help Desk, IIT Rajasthan at IIT Kanpur, has been formed to ensure the welfare of students and provide them with assistance on the emotional, academic and financial front. The Help Desk, IIT Rajasthan functions with the selfless support of many people, including volunteers, faculty advisors, counselors and psychiatrists.

What we do

The various tasks that we are involved in throughout the year are:

Academic Counseling: The Help Desk, IIT Rajasthan, monitors the academic performance of those students who are not able to meet academic requirements. These students are provided additional assistance as and when they ask for it.

Emotional Counseling: The Help Desk assists students in sorting out their problems, whether of a personal or emotional nature, or related to adjustment in a new environment. The Help Desk will arrange professional counseling and personalized psychiatric care, if necessary. Confidentiality of students is strictly maintained.

Financial Assistance: The Institute may consider financial assistance to needy students in the form of loans and grants.

Where to find us

The Help Desk is located at **House No 512, Type V (near Central School), IIT Kanpur**. The **phone number** is **(0512) 2596254**. To reach us, please follow the instructions given below:

- From SAC, take a left turn and move towards the Director's Residence. You will cross the Central School on the way
- Go past the Director's Residence and take a left turn onto 25th Street, *behind* the Director's Residence
- Take a right turn into the second lane. The last building on the right in this lane is House No 512, and the internal phone number is 6254.

The journey begins...

For most students this will be the first time they step out beyond the confines of their homes. Alongside dreams of conquering the world, there is the very real fear of landing in a strange and unfamiliar place, surrounded by new faces and having to take responsibility for yourself. We, at the Help Desk, IIT Rajasthan, aim to help you past this difficult time and, indeed, throughout your stay here. We confidently predict that the years that you spend here will be the most memorable of your life, and that your fears and apprehensions will vanish rapidly.

Before your journey to the campus begins, let us take you through some details, and provide you with some important information about the Institute.

OFFICE ORDER

With the enactment of the Central Educational Institutions (Reservations in Admission) Act, 2006 and with the subsequent release of the Office Memoranda No. F.1-1/2005-U.1 A/846 & 847 both dated 20.04.2008, it is incumbent upon all IITs to implement the provisions of reservation set forth by the Government of India. While the provisions of reservations are unambiguous, it is generally seen that some ineligible candidates also manage to get the requisite certificates showing that they belong to OBC class and that they do not belong to the persons /sections following under the category of Creamy Layer. While the Institute in this regard is committed to give full effect to the reservations, it is also incumbent upon the Institute to see that the provisions of reservations are not misused, or misutilized, by any one.

In view of the foregoing, the Institute has decided that candidates seeking benefits of reservation under OBC Category shall be asked to submit a certificate prescribed by the Government of India, Department of Personnel & Training vide its Office Memorandum No. 36033/28/94-Estt.(Res.) dated 02.07.1997, as amended from time to time. A copy of the latest proforma Certificate is enclosed as **Annexure- 1** to this Office Order.

Similarly, it has also been decided that the candidates seeking benefits of reservation under OBC class shall also be required to submit an affidavit sworn/affirmed by his/her parent on a proforma enclosed as **Annexure-2** to this Office Order.

All HODs and the Dean of Academic Affairs are requested to ensure compliance of this Office Order in letter and spirit and see that no deviation is made by any one under any circumstances. The requisites of this order have since been implemented with the admissions for the year 2008-09 (first semester) in both, UG as well as PG programmes.
