

INDIAN INSTITUTE OF TECHNOLOGY KANPUR
DEPARTMENT OF MATHEMATICS AND STATISTICS

Advertisement for Post Doctoral Fellows

Applications are invited from Indian Nationals for the position of Post Doctoral Fellows, from academically brilliant, recent Ph.D.s (who have graduated in the last three years) in any areas of Mathematics or Statistics in the Department of Mathematics and Statistics of IIT Kanpur. The positions are purely temporary. The initial appointment will be for a period of one year, and extendable by one more year, based on mutual understanding.

General Information, Benefits, Terms and Conditions

- Fellowships amount will be Rs. 40,000/- per month for the first year and Rs. 45,000/- per month for the second year. The candidate will also get a travel and contingency amount of Rs. 1,00,000/- per year.
- Medical benefits and other campus facilities will be the same as those of the registered students of IIT Kanpur.
- Post doctoral fellows will be provided suitable accommodation in the campus as per availability.
- Post Doctoral Fellowships are purely temporary. Benefits that are applicable only to permanent employees of the Institute (e.g. LTC etc.) will not be applicable to Post Doctoral Fellows.
- A maximum of four hours of teaching per week may also be involved.

Interested candidate may send his/her CV along with a covering letter by e-mail or by post to the faculty member working in the area of his/her interest or to the Head of the Department. Information about the activities of the Department including research interests of the existing faculty members are available at the Department website.

Based on the qualification of the candidates and the need of the Department, applications received will be processed throughout the year, and the selection will be made through an Institute approved committee.
