INSA-Visiting Fellowship

Last Date November 15

Applications are invited for the following year from Indian citizens for the award of INSA-Visiting Fellowship for conducting advanced research or undergoing specialised training in Indian Research Institutes/Laboratories.

Details of Award

These Fellowships will be awarded on a competitive basis to the scientists for furtherance of their research and/or research capabilities for carrying out collaborative research, undergoing training in specific techniques, or utilising facilities not available in their own institutions. The Fellowships will be for a minimum period of one month to a maximum of 6 months in a laboratory or research institution of his/her choice within India other than his/her own place located in another city. Fellowships to be awarded each year will be a maximum of 120 man months per annum.

Value

These fellowships will carry on honorarium of Rs. 5000/- per month (Rs. 3000/- as DA & Rs. 2000/- as honorarium which is taxable) in addition to the scientist's own salary from his parent institution. The Academy will provide to and fro travel expenses by 1st class or 2nd AC Sleeper from the parent organisation to the proposed institute of work.

Application Procedure

Applications will be invited once a year. The applicants would be required to provide a concise account of their plan of work/study besides their bio-data highlighting their achievements. It would be desirable that the applicant should have approached the host institution and the scientist concerned to ascertain their concurrence to accept him/her.

The applicant should be a scientist and hold a regular position in any R & D organisation including Universities or Affiliated Colleges in India. The Scientists who have already availed INSA Visiting Fellowship would be eligible for consideration after the gap of 5 years.

Candidates should submit their application (Four Sets) on prescribed application form available in the Academy through proper channel to the Assistant Executive Secretary (basic Sciences), Indian National Science Academy, Bahadur Shah Zafar Marg, New Delhi – 110002 on or before November 15. The decision of the Academy will be communicated during April /May in the following year.
