

# Indian Institute of Technology Kanpur

## Expression of Interest

ICT Academy, a project at IITK seeks EOI from reputed IT service providers who are willing to integrate their services with us in the areas of cloud based E-learning platform (videos, course material, quiz etc), E-content publication portal (course content, practical experiments and virtual labs) with full support, unlimited hosting, and unlimited training for specialized courses in the domains of computer science and electronics. The course content is expected to be continuously modeled and altered by the IITK faculty and advisors based on latest innovation.

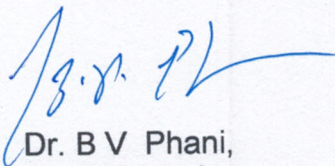

The e-learning shall also be hosted/managed/maintained by the provider in a state-of-the-art data centre. The data centre shall be minimum of level – III.

The platform should be completely based on open source technologies (with no commercial technologies). Source code and sufficient documentation shall be shared with IITK to allow for development by 3<sup>rd</sup> parties if required.

Established companies having the necessary domain expertise and relevant experience are invited to send their EOI in a sealed envelope to the office of the undersigned by 5<sup>th</sup> March 2016, providing:

1. Details of their experience and expertise.
2. Proposed terms and conditions of engagement with IITK.
3. Any other information relevant to the proposal.

Please send the EOI by email to [rahulgr@iitk.ac.in](mailto:rahulgr@iitk.ac.in) or send the physical copy to the address below.
