

L'INSTITUT SHASTRI INDO-CANADIAN
INDO-CANADIEN INSTITUTE

Dear Members' Council,

Greetings from India office of the Institute!

As you are aware that Shastri Indo-Canadian Institute (SICI) is celebrating its Golden Jubilee year in 2018-19 and planning a year-long interesting activities and projects approved by the government of India and Canada.

In the series of activities funded by the Government of India, we have decided to do a **Golden Jubilee Logo Design competition** for the students of our member institutions in India and Canada. We request you to kindly disseminate this information amongst your student fraternity (Undergraduate and Graduate Students including doctoral scholars) especially amongst the design departments/schools of your institution. The winner would be honoured with a certificate and prize money of INR. 50,000/CAD1000. To understand more about the Institute, students can visit our portal www.shastriinstitute.org. A poster is attached here for the dissemination purposes. Other relevant instructions are available on <https://www.shastriinstitute.org/node/12779>

I am confident, students of our member Institutions in both the countries will enjoy participating in this activity and innovative ideas of these young minds will very well reflect the glorious past of SICI in their submissions.

Besides this Golden Jubilee Celebration activity, like every year we are organizing **International Conference on the theme, "Engaging Canada and India: Challenges of Sustainable Development Goals" at the India International Centre on June 8-9, 2018**. The Papers are invited on five focus areas across disciplines from faculty, post-doctoral researchers, and doctoral students from SICI's member institutions (<http://www.shastriinstitute.org/member-council>) that discusses the result of their research and the impact it has in developing partnerships, linkages, learning methodologies, and socio-cultural narratives that empower interdisciplinary research.

The Poster is attached for your reference and dissemination and other details can be accessed at <https://www.shastriinstitute.org/node/12780> Kindly circulate among your colleagues and student by posting on your Institute's website and using other mediums for greater participation.

Looking forward to have many submissions on both the Shastri events.

With my best regards,

Sincerely,

Prachi Kaul, PhD
Director
