

## INDIAN INSTITUTE OF TECHNOLOGY KANPUR

# INTERNATIONAL RELATIONS

### ABOUT IIT KANPUR

IIT Kanpur is a leading public institution in India and has consistently been ranked amongst the top 5 engineering institutes in India. It offers courses in engineering, sciences, humanities and management, giving students an exposure to interdisciplinary education.

### APPLICATION SCHEDULE

For Semester I: March to April  
For Semester II: October to November

### OPPORTUNITIES FOR STUDENTS

Post-Doctoral Research  
Ph.D. Program  
Masters Programs  
(M.Tech., MS By Research)  
Semester Exchange  
Internships

## ACADEMIC DEPARTMENTS

Aerospace Engineering  
Biological Sciences & Bioengineering  
Chemical Engineering  
Chemistry  
Civil Engineering  
Cognitive Science  
Computer Science & Engineering  
Design  
Earth Sciences  
Economic Sciences  
Electrical Engineering  
Humanities & Social Sciences

Industrial & Management Engineering  
Mathematics & Statistics  
Materials Science & Engineering  
Mechanical Engineering  
Physics  
Space Science & Astronomy  
Sustainable Energy Engineering

### INTER-DISCIPLINARY PROGRAMMES

Photonics Science & Engineering Programme  
Materials Science Programme
