## Accommodation

The university guarantees a place in our student dormitory to all international exchange students who submit their applications. There are seven dormitory buildings - all with different sizes, room types and prices. All rooms are furnished with beds, desks, bookshelves, closets. Private bedrooms are only available for the graduate students on a first come, first served basis.

Meal plans are not compulsory. Students are responsible for electricity, water, gas and other maintenance expenses (usually between KRW 10,000 to 20,000 a month). Students need to bring their own blanket and pillow since these are not provided by the dorms.

For more information, please visit: [http://dorm.unist.ac.kr/eng/index\\_01.asp](http://dorm.unist.ac.kr/eng/index_01.asp)

## Visa requirements

As an international student, you need to obtain a D-2 visa to study in Korea. In order to apply for the visa, you should contact the Korean Embassy or a Consulate at your country of origin. Please refer to the following website regarding visa application procedures: <http://www.mofat.go.kr/english/main/index.jsp>.

The location of the embassy and consulate of the Republic of Korea in your country should appear on the website. You need to take the following documents with you when applying for the student visa:

- Passport (valid throughout the duration of your stay)
- Application form
- Application fee: USD 50 for single entry; USD 80 for multiple entry
- Certificate of admission
- Letter of invitation
- Certificate of the latest scholastic achievement
- Certificate of bank balance (over USD10,000) or certificate of scholarship

## Information

International exchange students should visit the UNIST International Center website for more detailed info about UNIST, the city of Ulsan, and Korea and thoroughly review the International Student Guide: <http://uic.unist.ac.kr>
