

INDIAN INSTITUTE OF TECHNOLOGY KANPUR
OFFICE OF RESEARCH AND DEVELOPMENT

15th June 2010

Director
IIT Kanpur

Subject: Constitution of the *advisory committee* of the 4I Laboratory

Dear Sir:

The 4I laboratory is developing well as a center of innovation for students across the Institute. It is expected to receive additional space for its activities and additional funding for equipment. To manage its growth in a balanced manner, a need for an Institute-wide advisory committee is being felt. Accordingly, I suggest the following composition for the advisory committee of the 4I Laboratory.

Coordinator, 4I Laboratory, Convener
Head, Department of Mechanical Engineering
Head, Department of Electrical Engineering
Coordinator, Sidbi Incubation and Innovation Center
Dean: Research and Development, Chair

The constitution of an advisory committee for the 4I laboratory with the above composition may please be approved.

Thank you. With regards

Sincerely

K Muralidhar
K. Muralidhar
Dean: R&D

X — the advisory committee
as suggested is approved.
