SPONSORSHIP OPPORTUNITIES

National Conference on the Emerging Trends in the Photovoltaic Energy
Generation and Utilization
27th – 29th March, 2008

Indian Institute of Technology Kanpur, Kanpur-208016, Uttar Pradesh, India

Platinum Sponsor (more than Rs. 2,00,000)

Your company's name and logo appears at prominent places of the NCETPEGU'08 website with a link to your company's website on the sponsor page. Company's logo appears on posters, and banners at the NCETPEGU'08 venue. An exhibition space as required will be provided free of cost to exhibit the company's achievements and technology.

Gold Sponsor (Rs. 1,00,000 – 2,00,000)

Your company's name and logo appears on the sponsor page of the NCETPEGU'0806 website with a link to your website. Adequate publicity at the NCETPEGU'08 venue. An exhibition space as required will be provided free of cost to exhibit the company's achievements and technology.

Silver Sponsor (Rs. 50,000 - 1,00,000)

Publicity at the NCETPEGU'08 venue and website. An exhibition space as required will be provided free of cost to exhibit the company's achievements and technology.

In addition, sponsorship as travel arrangements for various delegates is also open.

All partners and sponsors are encouraged to provide novelty items that may advertise company's brand/product. We will distribute these through delegate kits, symposium bags, registration gifts, room drops etc.

Suggestions are welcome. If you have any other novel ideas to publicize yourself, please do call us.
