

Workshop on  
**Medical Imaging: Techniques & Clinical Applications**  
(WMITCA-2016)

Organized by: Indian Institute of Technology Kanpur  
(Under NNMCB - IIT Kanpur Node)  
February 22 - 23, 2016

**Program Objective:**

- To introduce the basics of Medical Imaging and their Clinical Applications
- To provide and overview on Imaging Modalities like CT and MRI
- To give a flavor of current research on Medical Imaging and Clinical Applications.
- 

**Target Audience:** Post-graduate students and researchers from various institutes, universities and research organizations across the country.

**Registration:** The registration form is available on workshop website. Complete the registration form and send it to email: [medimgreg.iitk@gmail.com](mailto:medimgreg.iitk@gmail.com). Last date of registration is February 10, 2016

**Fee:** For Students: Rs. 500/- | For Faculty: Rs. 1000/- | For Industry and R&D: Rs. 1500/-  
*Registration fee will be collected in CASH at the Venue during the registration.*

Topics		
Human Anatomy	CT Imaging	MRI
Clinical Applications	Current Clinical Problems in Imaging	Recent Protocols on Image Analysis

Resource Persons		
Dr. Alok Bajpai Regency, Kanpur	Dr. Amit Mehindiratta IIT Delhi	Dr. Anoop Singh IIT Delhi
Dr. Asima Pradhan IIT Kanpur	Dr. BV Rathish Kumar IIT Kanpur	Dr. Gambhir SGPGI, Lucknow
Dr. Gangadhar NIMS, Bangalore	Dr. Naren Nayak IIT Kanpur	Dr. Prabhat Munshi IIT Kanpur
Dr. R K S Rathore IIT Kanpur	Dr. Rahul Garg IIT Delhi	

**Organizing Committee Members:**

Dr. Asima Pradhan (IITK), Dr. BV Rathish Kumar (IITK)(Coordinator), Dr. Malay Banerjee (IITK),  
Dr. Naren Nayak (IITK), Dr. Prabhat Munshi (IITK), Dr. R K S Rathore (IITK)
