

Workshop on effective use of EdRP Components

26-27 June 2015

Summarized Feedback Form

Workshop

<i>Questions</i>	<i>Excellent</i>	<i>Good</i>	<i>Ordinary</i>
Clarity of communication about workshop	10	16	01
Organization of the sessions	08	18	01
Quality of lectures	12	14	01
Quality of posters	05	15	02
Effectiveness of discussions	12	15	00
Effectiveness of learning experience	10	15	00
	<i>Appropriate</i>	<i>Short</i>	<i>long</i>
Duration of workshop	21	06	00
	<i>Definitely</i>	<i>Maybe</i>	<i>No</i>
Would you like to have more such sessions?	16	09	00
Would you like e-lectures by experts on special topics?	15	09	00
Suggest specific topic that you would like additional expert lectures on:	<ul style="list-style-type: none"> • Online admission system and student management system. • Fundamentals of Accounting systems and ERPs. • Library Management System, Hospital Information System. • BGAS • Security system on using accounting software. • How to use brihaspati outside IITK • How to access the server form outside • Accounts and Finance • Module on core administration of an academic institute eg. Leave management, CPDA, Recruitment, File tracking etc. • Technical & more sessions on implementation. • Finance related topics, GFR • Techniques and migration from existing ERP to brihaspati 3. • Academic Accounting Concepts. • Fund management • Pay Roll 		
Additional Suggestions	<ul style="list-style-type: none"> • To organize more lab session. • Hospital Management System. • One copy of workshop class activity may be provide to each participant. • Accounting standard. • Will send mail to administration. 		

Teaching

Which subjects do you teach?	<ul style="list-style-type: none"> • Digital Electronics, Antenna & wave propagation. • Microbiology • Architecture, Planning. • Computer /Software Administrator • Medical subjects • Electrical • SOM • Computer Science & Engg/ IT • Fluid mechanics • Related to Electronics & communication. • Mechanics Engg. • Accounting • Operating System, System Programming and CSE subjects 			
What is average student to teacher ratio in your institute?	<ul style="list-style-type: none"> • 7:1 • 25:1 • Under MCI assessment ; 2:1 • 10:1 • 10:1 • 1:1 – 1:2 • 25:1 • 25:1 • 20:1 • 25:1 • 20:1 • 12:1 • 20:1 • 9:1 			
Questions	YES	NO		
Do you have additional support for teaching (tutors, graders, teaching Assistants, etc)?	12	04		
Do you give class projects for UG classes?	13	03		
Do you give class projects for PG classes?	10	05		
Do you have sufficient resources for laboratory courses?	11	05		
	Sufficient	Inadequate		
Is the library/journal/e-connection support adequate?	10	07		
	Definitely	May be	No	
Would you like to have common (TEQIP) repository of course material?	12	07	01	
Would you like to visit IITK to participate in and develop course material (existing or new)	13	06	01	
Would you like to participate in creation of the repository material (course files/lab. Manuals/question bank/etc)	12	06	00	
	e-courses	Workshops	Content	none
How can IITK effectively help you prepare for teaching?	13	13	04	00

<p>How can TEQIP help improve your teaching?</p>	<ul style="list-style-type: none"> • By giving common platform to all the faculties & organizing events. • Bringing transparency in accountability in learning, teaching, evaluation. • By performing many such workshops and subjects • By providing in campus teaching and learning in IIT's • TEQIP may suggest UGC to create a council for the central universities like IIT council or NIT council to look into the needs of the university departments mainly engineering & technology. • Autonomy in academic & financial aspects. • To make us enable to attend various workshops (STC) & enhance the knowledge as well as updated information. • Workshop on advanced topics • Having such session on e-courses are really helping us to implement technology enabled teaching and learning in our institute.

Research

<i>Questions</i>	<i>Definitely</i>	<i>Maybe</i>	<i>No</i>
Would you like to visit an IIT for a visiting-faculty/post-doctoral fellow, if offered (viaTEQIP)?	13	01	06
Would you like to share/use research infrastructure at IITK, if made available?	14	04	02
Would you like to conduct collaborative research with IITK?	15	03	03
Would you like lectures by experts (Indian and international) on niche research areas/topics?	13	04	04
Do you want special-topic conferences?	15	03	00

How can TEQIP help improve your research?

- By organizing frequent visiting research & orientation program in various domains.
- With frequent interaction and knowledge sharing.
- With sharing of information continuously.
- Collaboration Research and Development.
- By providing permissions for using lab of IIT's
- By providing flexibility to use research labs of IIT's
- Define IIT collaboration or ISI/IISc collaboration within India and some international universities/ institution collaboration.
- Creating infrastructure, collaborating with reputed institutes.
- If it provides me the support to carry out research at IITK
- By providing access to the IITK labs for research work
- As a part of TEQIP programmes we come to know about latest research and developments and professor's session encourage and motivate us to contribute research work.
