About KNIT Sultanpur:

• Established in the year 1976, Kamla Nehru Institute of Technology, Sultanpur is one of the leading technical institutions of the region

• Responsible for producing top-grade engineers with skill sets comparable with the best in the world.

• It also renders the testing and consultancy services to the neighboring industries and various other agencies

• This is presently an autonomous government engineering institute (under 2f and 12B of UGC Act) and affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow, India.

• The institute offers B.Tech., M. Tech. and Ph.D. courses in Civil, Electrical, Mechanical, Electronics, Computer Science & Engineering and Information Technology disciplines in addition to M.C.A. course as well.
About Innovation & Incubation Centre

- Government of Uttar Pradesh has unveiled the UP IT & Startup Policy 2016 to foster entrepreneurship.
- Promote innovation by creating an ecosystem that is conductive for the growth of startups in the state.

The IT Incubation Centre strives to:
- Nurture entrepreneurship in those people who have a passion for knowledge generation and mentoring.
- Make entrepreneurially-driven communication initiatives recognized as vital for supporting the sustainability of indigenous enterprises.
Objective

1. To create physical infrastructure and support systems necessary for business incubation activities.
2. Services such as training or High-speed Internet access
3. Facilitate networking with professional resources, which include mentors, experts, consultants and advisors for the incubatee companies
4. Links to higher education resources.
5. Promote and facilitate knowledge creation, innovation and entrepreneurship activities
Our Role..

• KNIT, Sultanpur established the Incubation and Innovation Centre to enable startup ecosystem in the Sultanpur district of the state.

• The Institute will provide all the basic infrastructural support i.e. Office space, meeting room, platform to do networking, management assistance other support services specific to incubators.

• Actively support the incubatees with combinations of inputs including following..
Thrust Area of Proposed Incubation & Innovation Centre

• Mobile and Information Technology
• Internet of things
• E-commerce
• Electronics design and VLSI design
• CAD/CAM Applications
• Software based Simulation and Optimization
• Embedded System

Registration

• Following Start-up Registered:
  ▪ The Three Tier
  ▪ Tushk
  ▪ Ketli
  ▪ Xpresswash
  ▪ Trouble Shooters
  ▪ ACUSPED

• We welcome Innovative ideas

• Registration details and form available on www.ecellknit.com
About E-Cell

E-Cell caters the need of today's fast growing tech colleges by giving an idea to manage and manipulate the market strategies, knowledge and idea of competitive world. It is an endeavour, not only for entrepreneurs but also for the students who desire to have a better professional persona. This shall help students grow positive attitude towards entrepreneurship and help them foster a start-up individually.

E-Cell works in collaboration with Alumni, faculty and the students committee. It aims to promote entrepreneurship drive among the students of KNIT. We shall be responsible for broadening up the link between student and alumni. Our works shall be for the development of start up, in and outside the campus.
Key Target

Organize

Organising workshops and conferences

Collaboration

Facilitating Institute-Industry Collaboration

Development

Engaging with regional and local economics developmental efforts.
Events Organised

Workshop:
Workshop on Establishment of Incubation and Innovation Centre, August 02, 2016. This workshop provided us a foundation for establishment of Innovation & Incubation Center.

Symposium:
"E-SYMPOSIUM“ organised on February 08, 2017 aimed to enhance the entrepreneurial and business developmental skills so that they may also strive to be an entrepreneur.

International Conference:
International Conference on Innovation Entrepreneurship and Startup organised during March 03-04, 2017. The main objective of this two-day international conference was to ponder over the issues of development of inclusive entrepreneurship and innovation in all over the Globe.
THANK YOU 😊
