

# ADVANCED CENTRE FOR MATERIALS SCIENCE INDIAN INSTITUTE OF TECHNOLOGY KANPUR OPEN HOUSE

**SATURDAY, AUG 22, 2026 | 09:00 AM-01:00 PM | ACMS, IIT KANPUR**

Advanced Centre for Materials Science (ACMS) houses facilities for characterizing material structure and properties. ACMS was established in 1979 and in recent years has been rejuvenated and now includes several state-of-the-art facilities. At ACMS, we have been organizing Open House with the aim to provide introduction and hands-on familiarization with the working principles, functioning and capabilities of its facilities. This year, the Open House will be held on 22 Aug (Sat). The event is open to the Institute community. To facilitate the scheduling of the visits, please indicate your preference by filling in the Google Form. You can choose to visit select facilities or opt for general tour of ACMS.

All interested are cordially invited.

Dr. Anish Upadhyaya  
Head, ACMS

Facilities / Lab Visits during Open House:

- BET
- Electrical Characterization Lab
- EPMA
- IRMS
- Live Cell Imaging
- Mechanical Testing Lab
- Micro- and Nano-Indentation Facility
- Optical Profilometry
- OES
- Sample Preparation Lab
- SEM
- XRD
- XRF
