OFFICE ORDER

Ref.: Directors Approval Note no. CCE/2021/470 dated June 08, 2021

Sub: Coordination of The SURGE Program by CCE – Reg.

The SURGE Program is currently being run under the aegis of Centre for Continuing Education (CCE) and a separate faculty coordinator appointed by the CCE is coordinating this program.

However, in order to reduce administrative overheads, and effective utilization of office staff, all subsequent SURGE Programs starting from January 2022, will henceforth be coordinated directly by Centre for Continuing Education without any additional faculty coordinator.

The current SURGE co-ordinator Prof. Saravanan Matheshwaran will continue to coordinate the ongoing SURGE 2021 program till the end of the ongoing program. His services to the SURGE 2021 program are appreciated and placed on record.

This office order is issued with the approval of competent authority.
