

INDIAN INSTITUTE OF TECHNOLOGY KANPUR

DEPARTMENT OF CHEMISTRY

Ph.D. Admissions: Walk-in Interview (2026-2027-I Semester)

Applications are invited for the Ph.D. program (Walk-In Interview) in the Department of Chemistry. Kindly fill out the Google Form and upload the Application Form, relevant documents in the Form along with the Application Fee Receipt.

Note: (Candidates who applied but were not shortlisted for the interviews, as well as those who have already appeared for the interviews, during the regular PhD admissions in summer 2026, are not eligible.)

Note that shortlisted candidates will be called for Interviews on: 29th June 2026 and 30th June 2026

How to Apply: [Google Form](#)

- Indian Nationals can apply only through online mode of application. The deadline for application in online mode is **June 22, 2026 (Monday), 10:00 AM**. Please note that this is a hard deadline. No further extension would be made. Go to "[Google Form Link](#)"
- **Download the attached application form and letter of reference with this notification.** You need to upload the filled-out Application form and letter of reference in the same Google Form.
- PhD applicants may arrange for two letters of reference as well. For this purpose, the names of the referees along with their e-mail addresses are to be provided by the candidate at the online applications portal. The referees will be contacted electronically if letters are not included in the application.
- **Application fee:** Rs. 500 for General, EWS, OBC and OBC-NCL candidates and Rs. 250 for SC/ST and all DAP candidates.
- **The application fee:** You are required to pay the fees and upload the online payment receipt of the same in the google form.

The detail(s) for online fee payment is mentioned below:
