

Your online test for M.Des. will be held on **18/05/2022 from 07:00 – 09:15 PM**. Extra 15 minutes is given for you to upload the response document.

The exam link will be shared with you 1 hour (i.e., 6:00 PM on 18/05/2022) before the scheduled time in a separate mail.

Note: Arrange the following items for the exam:

1. Color medium
2. Pencils of different grades
3. Basic prototyping tools- Cutter, scissor, scale, glue, papers, etc

Instruction: Strictly submit your responses within time limit i.e. (07:00– 09:15 PM) otherwise the link will get deactivated.

Attending the design exam is a must for the candidates to be called for the interview.

Design Exam will have design problems to solve from different domains like Product Design/Visual Communication/UI/UX. etc.

You must choose **one problem statement** and provide design solution(s) for the same.
