

Assignment 24

Please watch Lesson 24 before attempting this assignment.

Select a document or passage from the internet and, as you read it, pick up **fifty phrases** of the kind that appeared in the list of phrases in the previous session, and classify each of them as an adverb or an adjective; identifying which verb or noun it qualifies in the sentence.

In your submission, include the following, in the given order.

- (a) Title and Author's name.
- (b) The URL, or the address of the story on the internet where you read it.
- (c) The list of phrases with the type of phrase and its anchor in the sentence.
