About the Scholar:

Prof. Christopher Kaczmarek is a New York-based artist and educator whose work encompasses both experimental and traditional practices. His artistic endeavors include sculpture, installation, performance, video, and solar-powered objects. Prof. Kaczmarek received an MFA in Visual Art as well as an MA in Modern and Contemporary Art History, Theory, and Criticism from Purchase College, State University of New York. He has held positions as the Visual Arts Program Coordinator and Chair of the Department of Art and Design. Currently, he is an Associate Professor of Interdisciplinary Art at Montclair State University in New Jersey, USA, and a Fulbright-Nehru Scholar at IIT Kanpur in India.
