INSTRUCTIONS FOR ONLINE BID SUBMISSION

This tender document has been published on the Central Public Procurement Portal (URL: <http://eprocure.gov.in/eprocure/app>) for inviting the tenders from the eligible contractors. The bidders are required to submit softcopies of their bids electronically on the CPP portal, using valid Digital Signature Certificates (DSC). The instructions given below are meant to assist the bidders in registering on the CPP portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP portal. More information useful for submitting online bids on the CPP portal may be obtained at <http://eprocure.gov.in/eprocure/app>

REGISTRATION

1. Bidders are required to enrol on the e-procurement module of the Central Public Procurement portal (URL: <http://eprocure.gov.in/eprocure/app>) by clicking on the link, "click here to enrol". Enrolment on the CPP portal is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique user name and assign a password for their accounts.
3. Bidders are advised to register their valid e-mail address and mobile number as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (class 3 certificates with signing key usage) issued by any certifying authority recognised by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.) with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
6. Bidder then logs into the site through the secured log-in by entering their user ID / password and the password of the DSC / eToken.

CORRECTION (C)	NIL	E.E.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP portal to facilitate bidders to search active tenders by several parameters. These parameters could include tender ID, organisation name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organisation name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. The tenders can be moved to the respective "My Tenders" folder. This would enable the CPP portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each other, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bids. Please note the number of covers in which the bid documents have to be submitted. Any deviations from these may lead to rejection of the bids.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with colour / black & white option.

CORRECTION (C)	NIL	E.E.

SUBMISSION OF BIDS

1. Bidder should log into the site well in advance for bid submission so that he / she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. A standard BOQ Format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BOQ file, open it and complete the blue coloured [unprotected] cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
4. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
5. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorised persons until the time of bid opening.
6. The uploaded tender documents become readable only after the tender opening by the authorised bid openers.
7. Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

ASSISTANCE TO BIDDERS

1. Any queries relating to tender document and the terms and conditions contained therein should be addressed to the tender inviting authority for a tender or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP portal in general may be directed to the 24 x 7 CPP Portal Help Desk.

GENERAL INSTRUCTIONS TO THE BIDDERS

1. The tenders will be received online through portal <https://eprocure.gov.in/eprocure/app>. In the technical bids, the bidders are required to upload all the documents in PDF format.
2. Possession of a valid class III Digital Signature Certificate (DSC) in the form of smart card / e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorised certifying agencies, details of which are available in the website <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC".
3. Tenderers are advised to follow the instructions provided in the "Instructions to the tenderer" for the e-submission of the bids online through the Central Public Procurement Portal for e-procurement at <https://eprocure.gov.in/eprocure/app>.
4. The enlistment of the contractors should be valid on the last date of submission of tenders. In case the last date of submission of tender is extended, the enlistment of contractor should be valid on the original date of submission of tenders.
5. The intending tenderer must read the terms and conditions of FORM-6 for e-Tendering carefully. He should only submit his tender if he considers himself eligible and he is in possession of all the documents required.
6. Information and Instructions for tenderer posted on website shall form part of tender document.
7. The Institute Campus has been divided into the different Zones. The copy of the Institute Master Plan duly marked the different Zones is attached on page no.40. Intending Bidders are advised to visit and examine the existing buildings under the **Zone-I and II** and its surroundings and satisfy themselves before submitting their bids. A bidder shall be deemed to have full knowledge of the site whether he inspects it or not and no extra cost consequent on any misunderstanding or otherwise shall be

SPECIAL CONDITION FOR ZONAL CONTRACTS

1. Zonal contracts will be used only to execute original works/ minor works/ repair works of urgent nature. It can also be used for any works of restoration as a result of a disaster in campus causing damage to institute infrastructure/ works related to emergency services/ works of institute importance/ works concerned to safety health and environment of campus community. The works undertaken through zonal contracts are categorized as time bound and should be executed without any instructions from competent authority with minor cost implications.

Mode of issue of zonal contracts should be as per Table-1:

Table 1	
Works costing up to Rs. 50,000.00/-	JE/AE/EE based on Pingala requests or written any other mode of verifiable written communication or approved DOIP 101
Works costing up from Rs. 50,000.00/- to Rs. 1,30,000.00/-	Approved DOIP 101

2. The contractor should always keep his establishment ready to commence the work immediately after the issue of the work of any amount. Work requests of urgent nature should be included in works order at the earliest after receiving orders from the Engineer in charge. Maximum time limit to include a request in work order is 21 days.

The schedule for Zonal Contracts should be at per Table-2:

Table 2		
Spending limit	Maximum lead time to start the work	Maximum completion duration
Works costing up to Rs. 50,000.00/-	3 days	14 days
Works costing up from Rs. 50,000.00/- to Rs. 1,30,000.00/-	7 days	28 days

In case of noncompliance with Table 2, 5% of the cost of the work order will be deducted from contractor every week after the completion of maximum duration subjected to the site clearance by the users/other associated agencies executing the work.

ADDITIONAL TERMS & CONDITIONS

General

The tenderer is advised to read and examine the tender documents for the work and the set of drawings available with Engineer-in-charge. He should inspect and examine the site and its surroundings by himself before submitting his tender.

1. Unless otherwise provided in the schedule of quantities/specifications, the rates tendered by the contractor shall be all inclusive and shall apply to all heights, lifts, leads and depths of work and nothing extra shall be payable to him on account of the same.
2. The rates for all items of work unless clearly specialized shall otherwise include cost of all labour, material tools and plants and other inputs involved in the execution of the item. The contractor (s) shall quote all inclusive rates and nothing extra shall be payable for any of the conditions and specifications mentioned in the tender documents unless specifically specified otherwise.
3. Other agencies doing works related with this project may also simultaneously execute their works and the contractor shall afford necessary facilities for the same. The contractor shall leave such necessary holes, openings etc. for laying/burying in the work, pipes cables, conduits, clamps, boxes and hooks for fan clamps etc. as may be required for the other agencies. Nothing extra over the Agreement rates shall be paid for doing these.
4. No over loaded trucks of the construction materials (coarse sand, stone grit, bricks, steel and stone ballast) are allowed to enter in the residential area. The contractor have to make arrangement to get collected the construction material at appropriate places (preferable near the site) within the campus as instructed by EIC and from that place the material shall be carried through the tractor & trolley only. No extra claim on the expenditure shall be acceptable. Violation related to **unauthorized dumping of construction materials** shall be subjected to a penalty of Rs 2000/- by Superintending Engineer (CE). Any dismantled material will be disposed within 3km from the site of the work without any additional cost as directed by the engineer in charge. The dismantled materials shall be disposed within one week from the completion of work and before the completion certificate issued to the agency.
5. For construction works which are likely to generate malba/rubbish of any quantity, contractor shall dispose of malba, rubbish & other unserviceable materials and wastes at their own cost to the **notified/specified** dumping ground within the campus and under no circumstances these shall be

IITK

stacked/dumped, even temporarily outside the construction premises. Violation related to unauthorized dumping of construction materials shall be subjected to a penalty of Rs 5000/- or the cost of re-transportation to the designated ground, which ever is greater.

- 6. The contractor shall not stack / dump any amount of construction waste either temporarily or permanently **on the service lines /areas**. For violation, a penalty of Rs. 5000/- or the damage incurred, which ever is greater, shall be imposed.
- 7. Existing drains, pipes, cables, over-head wires, sewer lines, water lines and similar services encountered in the course of the execution of work shall be protected against the damage by the contractor at his own expense. The contractor **shall not store materials or otherwise occupy any part of the site in a manner likely to hinder the operation of such services**.
- 8. Penalty would be charged if any damage happens to utility lines or any other existing entity whose amendment is not explicitly mentioned in the work order. **Penalty amount should be at least the cost of the repair/rehabilitation**. The Engineer in Charge shall have the right to decide the amount and type of penalty to be charged.
- 9. Contractor should also specially mark/isolate the work-in-progress or the recently done work which is for time being, not serviceable/approachable for the general utility. This includes providing an appropriate soft barricading and signals to warn the public.
- 10. The contractor shall maintain in perfect condition, all portions executed till completion of the entire work allotted to him. Whereas whenever phased delivery of work is contemplated these provisions shall apply separately to each phase.
- 11. The entire royalty at the prevalent rates shall have to be paid by the contractor on all the boulders, metals, shingle sand etc. collected by him for execution of the work, directly to the Revenue authority or authorized agents of the State Government concerned or the Central Government, as the case may be.
- 12. Temporary Electric connection shall be issued on payment basis as per request and the water charges shall be recovered as per rule.
- 13. The contractor shall procure all the materials in advance **or as applicable** so that there is sufficient time to testing and approving of the materials and clearance of the same before use in work or applicable.
- 14. For items consuming electricity 2% will be deducted from the running bills for electricity consumption and 1% of the all items of the contract shall be recovered against the water charges from the running bills.
- 15. The tenderer shall see the approaches to the site. In case any approach from main road is required by the contractor, the same shall be provided, improved

and maintained by the contractor at his own cost. No payment shall be made on this account.

- 16. The contractor shall provide at his own cost suitable weighing, surveying and leveling, and measuring arrangements as may be necessary at site for checking. All such pieces of equipments should have valid calibration certificate from reputed agencies and to be approved by the Engineer-in-Charge. Nothing extra shall be payable on this account.
- 17. The contractor shall be responsible for the watch and ward/guard of the buildings, safety of all fittings and fixtures including sanitary and water supply fittings and fixtures provided by him against pilferage and breakage during the period of installations and thereafter till the building is physically handed over to the department. No extra payment shall be made on this account.
- 18. The contractor shall be fully responsible for the safe custody of materials brought by him or issued to him. No additional security will be provided for this job.
- 19. In case of flooring works, the rate of items of flooring is inclusive of providing sunk flooring at bath room, kitchen etc. and nothing extra on this accounts is admissible.
- 20. No payment shall be made to the contractor for any damage caused by rain, snowfall, floods, earthquake or any other natural causes whatsoever during execution of work. The damages of the work will be made good by the contractor at his own cost and no claim on this account shall be entertained.
- 21. The rate for all items in which the use of cement is involved is inclusive of charges for curing.
- 22. Being an individual work contract, no other tax is payable other than GST.
- 23. Smoking is strictly prohibited at workplace.
- 24. The contractor shall give eight years guarantee in the prescribed proforma for water proofing items specified in the schedule of quantities. In addition to this, 10% of the executed cost of items shall be retained either in cash /fixed deposit or in the form of bank guarantee, which shall be released after the expiry of ten years from the date of completion if no defects is found in water proofing or the defects are made good. This amount shall be adjusted against the expenses incurred on making good the defects if the contractor commits breach of guarantee.
- 25. **An authorized applicator approved by the manufacturer must do the application.**
- 26. **The contractor shall provide the delivery challan stating the volume of consumption as per the area.**

- 27. **All required protocol for Covid-19 issued by the Gov. of India time to time shall have to be followed by the contractor at the site, the contractors are advised to quote the rates accordingly.**
- 28. Contractor is responsible to ensure the overall safety of his employees and workers involved in the construction or the other similar works which holds risk. This includes providing suitable head gears, face and eye protection, hand & foot protection and reflective gears. Contractors will have to bear the cost of all the protective gears provided to each and every person involved in the work. Failing to adhere to the safety practice should lead to imposition of penalty by Superintending Engineer (CE).
- 29. The contractor will identify one of the supervisors for taking care of implementation of Safety systems.
- 30. The Contractor should follow the following General Guidelines governing the safety rules as laid down under:
 - a) Nobody is allowed to work without wearing safety helmet. Chinstrap of safety helmet shall be always on. Drivers, helpers and operators are no exception.
 - b) No one is allowed to work at or more than three meters height without wearing safety belt and anchoring the lanyard of safety belt to firm support preferably at shoulder level.
 - c) No one is allowed to work without adequate foot protection.
 - d) Usage of eye protection equipment shall be ensured when workmen are engaged for grinding, chipping, welding and gas-cutting. For other jobs as and when site safety co-coordinator insists eye protection has to be provided.
 - e) All safety appliances like Safety shoes, Safety gloves, Safety helmet, Safety belt, Safety goggles etc. shall be arranged before starting the job.
 - f) All excavated pits shall be barricaded & barricading to be maintained till the backfilling is done. Safe approach to be ensured into every excavation.
 - g) Adequate illumination at workplace shall be ensured before starting the job at night.
 - h) All the dangerous moving parts of the portable / fixed machinery being used shall be adequately guarded.

GUARANTEE BOND TO BE EXECUTED BY CONTRACTORS FOR REMOVAL OF DEFECTS AFTER COMPLETION IN RESPECT OF WATER PROOFING WORKS

The Agreement made thisday of two thousand and between..... son of of (hereinafter called the Guarantor of the one part) and the Board of Governors, IIT Kanpur (hereinafter called Government of the other part).

WHEREAS this agreement is supplementary to a contract (hereinafter called the Contract) dated..... and made between the GUARANTOR of the one part and the Government of the other part, whereby the Contractor, inter alia, undertook to render the buildings and structures in the said contract recited completely water and leak-proof.

AND WHEREAS GUARANTOR agreed to give a guarantee to the effect that the said structures will remain water and leak-proof for five years from the date of giving of water proofing treatment.

NOW THE GUARANTOR hereby guarantees that water proofing treatment given by him will render the structures completely leak-proof and the minimum life of such water proofing treatment shall be **ten years** to be reckoned from the date after the maintenance period prescribed in the contract.

Provided that the guarantor will not be responsible for leakage caused by earthquake or structural defects or misuse of roof or alteration and for such purpose:

- (a) Misuse of roof shall mean any operation which will damage proofing treatment, like chopping of firewood and things of the same nature which might cause damage to the roof;
- (b) Alteration shall mean construction of an additional storey or a part of the roof or Construction adjoining to existing roof whereby proofing treatment is removed in parts.
- (c) The decision of the Engineer-in-Charge with regard to cause of leakage shall be final. During this period of guarantee the guarantor shall make good all defects and in case of any defect being found, render the building water-proof to the satisfaction of the Engineer-in-Charge at his cost, and shall commence the work for such rectification within seven days from the date of issue of the notice from the Engineer-in-Charge calling upon him to rectify the defects, failing which the work shall be got done by the Department by some other contractor at the GUARANTOR'S cost and risk. The decision of the Engineer-in-Charge as to the cost, payable by the Guarantor shall be final and binding.

INSERTION (I)	NIL	
DELETION (D)	NIL	

IITK

- 1) The Bidder declares that no previous transgression occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- 2) If the Bidder makes incorrect statement on this subject ,he can be disqualified from the Tender Process or action can be taken for banning of business dealing holiday listing of the Bidder/Contractor as deemed fit by the Principal/Owner.
- 3) If the Bidder Contractor can prove that he has resorted recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion revoke the exclusion prematurely.

Article 5 : Equal Treatment of all Bidders/Contractors/Subcontractors

- 1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this Agreement/Pact by any of its subcontractor’s sub-vendors.
- 2) The Principal/Owner will enter into pacts on identical terms as this one with all bidders and Contactors.
- 3) The Principal/Owner will disqualify Bidders, who do not submit the duly signed Pact between the Principal/Owner and the Bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6 : Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contract/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the contract has been awarded.

If any claim is made / lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged / determined by the Competent Authority, IIT Kanpur.

Article 7 : Other Provision

- 1) This Pact is subject to Indian law, place of performance and jurisdiction is the Head quarters of the division of the Principal/Owner, who floated the Tender.
- 2) Changes and supplements need to be made in writing. Side agreements have not been made.
- 3) If the contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners

and consortium members. In case of a company, the Pact must be signed by a representative duly authorized by board resolution.

- 4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this pact remains valid. In this case, the parties will strive to come to an agreement to their original intension.
- 5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this integrity agreement/Pact or interpretation thereof shall not be subject to arbitration.

Article 8 : LEGAL AND PRIOR RIGHTS

All right and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contract documents with regard any of the provision covered under this Integrity Pact. IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presences of following witness:
