CORRIGENDUM-2: Prebid Queries and clarifications

NIT No: Composting/18/07/2023-1

Tender ID: 2023_IITK_762330_1

Name of the work: Management of biodegradable waste at IIT Kanpur

Pre-bid Questions and Clarifications:

Sr .No	Query	Clarification
1	In the tender document, it is mentioned that CPWD rates need to be provided to the workers. Kindly let us know, as per row 1.06 of the BoQ, 'Facility Manager' comes under which category (Skilled, Highly-Skilled or Other)?	Facility manager should be paid as the employee of the agency on a consolidated pay, based on his experience of the work.
2	In section 7.2.g (page 37), the composting time mentioned is of 3-4 weeks. This can be achieved through the use of Inoculum/Bio-Culture only. It's also in practice currently too. Let us know how to take care of the cost of the technological interventions?	As per the tender condition, the agency may sell the compost to take care of such expenses.
3	On page 38, under the section of Technical Standards, point 2c says that compost can be sold at a reasonable price to the IITK community. Who will decide the rate? Also, a fixed purchase quantity needs to be decided by the institute, as then the contractor will be able to develop a supply chain for selling the compost in the open market as well as IIT.	As per the tender condition, it is the discretion of the agency to decide the rate. Further, the agency may advertise their product to get potential buyer.

4	Whether GST is inclusive or exclusive in the estimated cost	As per the tender document.
5	How the collected bio degradable waste will be delivered to the composting site?	Biodegradable Waste will be delivered within 100 meter of the designated site.
