Date: 01/06/2026

Corrigendum Notice 2

Regarding NIT No. 10/Composite/CO/2026-27

Tender Id: 2026_IITK_909351_1

Name of Work: Construction of building for Common Dinning Facility & food courts of 15.00-meter height including internal & external electrification, plumbing, firefighting, fire alarm System, water tanks, road, parking & HVAC at IIT Kanpur (U.P.)

S. No.	Query raised by Bidders	Clarification
Bidder-1		
1	State Public Sector Bodies has not been included in this tender.	To ensure wider participation and enhanced competition, agencies registered with State Public Sector Undertakings/State Public Sector Bodies shall also be eligible for participation in the tender, subject to fulfilment of all other eligibility criteria as stipulated in the tender document.
2	In this project, the building height is 15 meters; however, it is not specified how many stories the building comprises—the number of stories should also be included.	No change is envisaged.
3	Our firm is currently constructing a G+5 building in Gorakhpur with a height of 18.7 meters. Structure work is 100% completed and finishing work will be completed within 2 months.	Ongoing/incomplete works shall not be considered.
Bidder-2		
1	<p>The latest corrigendum states that similar work experience should be from Central Government Bodies / Central Autonomous Bodies / Central Public Sector Undertakings / State Government Bodies.</p> <p>However, the tender document also mentions that: "Complete set of TDS certificates (Form 16A) shall be uploaded in case the similar work is executed for a private body, which shall form the basis for establishing the completion cost of work executed."</p> <p>In view of the above provision, we request clarification whether private sector work experience shall also be considered acceptable for participation.</p> <p>Further, in several Central / State Government Departments, private sector work experience of a similar nature and complexity is generally</p>	Please refer Page No. 23 of the tender document.

1/6/26

	accepted, subject to the submission of supporting TDS documents.	
2	We have executed one work having an RCC framed building with a height of 15 metres. Separately, we have executed another work comprising all other required services such as Internal Water Supply, Sanitary Installation, Drainage, Internal Electrical Installations, HVAC Works, Firefighting, etc. Accordingly, we request clarification whether such experience collectively demonstrated through two completed qualifying works shall be considered acceptable towards the fulfilment of the similar work criteria.	Not Accepted. Please refer to the definition of "Similar Work" at Page No. 23 of the Tender Document.

The other terms and conditions of the NIT shall remain the same.
