भारतीय प्रौद्योगिकी संस्थान कानपुर
INDIAN INSTITUTE OF TECHNOLOGY KANPUR

Where Research Turns Into Impact

DEPARTMENT OF

MECHANICAL ENGINEERING

ADMISSIONS OPEN FOR

PhD & MS PROGRAMS

Session starting from January 2027

Why IIT Kanpur?

- **World-Class Faculty**
  Learn from distinguished faculty and researchers with global recognition in mechanical engineering and related areas.
- **Exceptional Placement Record**
  Collaboration with multiple renowned industries.
- **Vibrant Academic Environment**
  A culture of innovation, collaboration and academic excellence.
- **Strong Alumni Network**
  A global network of leaders in academia, industry and research.
- **Beautiful Campus**
  A green, safe and vibrant campus in the heart of Kanpur.

About the Department

The Department of Mechanical Engineering at IIT Kanpur is a leading center for research and education in mechanical engineering. With a strong focus on innovation, interdisciplinary research and real-world impact, the department offers an inspiring environment for aspiring researchers and scholars.

Highlights

- Institute Assistantship as per the norms.
- Travel support up to 2 Lakhs to Ph.D. students for national and international conferences.
- Possibility of entreprenureship under new policy.
- Opportunity to work with universtites abroad under exchange programs.
- Exceptional research environment.
- Opportunity to carry out interdisciplinary research.

Specializations Offered

- Fluid and Thermal Science
- Manufacturing Science
- Robotics and Automation
- Solid Mechanics and Design

Eligibility

Ph.D.

- M.Tech./M.E. degree in engineering (minimum. 5.5 CPI or 55%)
- B.Tech./B.E. degree in a relevant discipline (minimum 7.5 CPI or 75%) with a valid GATE score.

MS (Research)

- B.Tech./B.E. degree in a relevant discipline (minimum. 5.5 CPI or 55%).
- Valid GATE Score.

Application Fee

General, EWS, OBC & OBC-NCL	500/-
SC, ST & DAP	250/-

Important Dates

- Last date to apply: **03rd Nov, 2026** (02:00 PM)
- Written Test & Interview: **05th Dec, 2026**
- Session Commences: **1st week of Jan, 2027**

Note - Final result to be declared within 2-3 working days after the interview.
