Dear candidate:

Subject: Your Application for the post-graduate PhD admission in 2020-21-I Semester.

With reference to your application, this is to inform you that you have been shortlisted for the PhD interview which is to be held on 08th & 09th July 2020. The interview will be held using the Zoom platform; you are therefore requested to download it on your device. More details of the schedule of your interview and the Zoom link will be send later on your email ID available in your application.

You should ensure that you have good internet connectivity for the conduct of the interview. You should have a quiet place for sitting during the interview and carry blank pages and a thick pen with yourself. No bio-breaks will be allowed during the interview.

Please carry your original certificates, mark sheets and project reports of both the Bachelor's and the Master's degrees, and the original sponsorship certificate at the time of the online interview.

Please note that the interview will be technical in nature and questions will be asked in the broad areas of mechanical engineering including the area of specialization indicated in your application. The detailed evaluation criterion along with the required documents supporting the evaluation can be obtained from our website <http://www.iitk.ac.in/me/academics/pg/pg-admission/>.

Please let us know if you will not be available for the interview by writing an email to dpgcme@iitk.ac.in.

Note: You have been shortlisted for online interview on the basis of the data provided by you on the online admission portal (Pingala). If any discrepancy is found later, your candidature may not be considered.

Anurag Gupta
Convener, DPGC
