

Indian Institute of Technology Kanpur

Advanced Center for Materials Science

Enq. No.: ACMS/ KK/ 2017-18/ EPMA AMC

Enquiry Dated: January 8th, 2018

Closing Date: January 18th, 2018

Quotation is sought for Annual Maintenance Contract (AMC) for an Electron Probe Micro Analyzer (EPMA). The make and model of the EPMA for which the AMC is required is JEOL JXA 8230, which is installed in Advanced Center for Materials Sciences at IIT Kanpur. The last date for submitting the quotation is **18th Jan 2018**.

Terms and Conditions:

1. The AMC period should be for maximum two years and the cost of AMC per year should be stated along with the applicable taxes for both the years.
2. Maximum possible education discount should be offered.
3. The payment term should be half-yearly installments.
4. The supplier should provide the services for preventive maintenance as well as breakdown maintenance during the period of the AMC.
5. The supplier should produce the certificate from the original equipment manufacturer i.e. JEOL Ltd. stating that the supplier is authorized to provide the AMC for the particular EPMA.
6. Validity of quotation should be at least for 75 days
7. Kindly send the bids in sealed envelopes latest by 18th Jan 2018 to:
