Subject: web enquiry

We are planning to purchase syringe pump for our research work with the specification:

Syringe sizes accepted: 10 μ L to to 500 mL/hr Accuracy \pm } <1% A wide dynamic range (6000:1) with excellent flexibility. All commands should be programmed via the front-panel keypad. Settings can be changed while the pump is running.

Kindly send your sealed financial offer at following address before 27 September, 2011 up to 3:00 PM. The offer must contain the usual terms and conditions of the supply, like tax, freight charges, warranty, and discount and delivery period.

Thanking you,

Yours sincerely,

Sameer Khandekar

PI
