To,

Sub: Regarding the quotation for disposing-off the tested test specimens & steel scrap

Dear Sir,

There is accumulation of steel scrap consisting of tested specimens over the years (approx. 2 tonne). We need to be disposed-off this steel from our laboratory.

You are requested to kindly send your valuable quotations along with your terms & conditions in a sealed envelop by hand / courier by August 31, 2012.

Thanking you,

(Dr. K. K. Bajpai)
