R.A. Parmelee  
F.R. Preece  
J.C. Stepp  
A. Stevens  
R.V. Whitman

*Association Director:* Susan Newman

*Technical Director:* Roger E. Scholl

The Earthquake Engineering Research Institute is the U.S. national professional society devoted to finding better ways to protect life and property from the effects of earthquakes. Its objectives are the advancement of the science and practice of earthquake engineering and the solution of national earthquake engineering problems.
