

IIT KANPUR

# NEWSLETTER

Office of Outreach Activities  
January-December 2025

## MISSION

The Office of Outreach activities at IIT Kanpur is committed to making high-quality learning accessible beyond the classroom. In today's rapidly evolving digital world, we empower students, professionals, academicians, and technical experts through postgraduate degrees and diplomas, certificate programmes, workshops, and internships. Our initiatives equip learners with the knowledge and skills for innovation, growth, and success, while contributing to the development of a future-ready workforce.

## EVENTS

- 13** Conferences
- 02** Conclaves
- 08** Symposiums
- 01** Seminar
- 67** Short Term courses
- 45** Workshops
- 28** Internships
- 04** Campus Immersion Programmes

# ABOUT OFFICE OF OUTREACH ACTIVITIES

The Office of Outreach Activities (OOA), established on September 10, 2024, brings together Digital Learning, the Centre for Continuing Education, and the mookIT team, consolidating all online and continuing education initiatives under one umbrella. As part of its new structure, the office also integrates mookIT—an online course management software designed and developed at IIT Kanpur—to provide an accessible and high-quality learning platform for diverse audiences.

## MESSAGE FROM DIRECTOR

Reskilling and upskilling are essential in today's rapidly evolving technological landscape. IIT Kanpur remains committed to enabling learners to stay at the forefront of this transformation by leveraging the Institute's strengths in advanced education and emerging technologies.

Through the Office of Outreach Activities (OOA), the Institute offers a wide spectrum of continuing and distance education programs, including short-term courses, workshops, online certificate programs, and internship opportunities for students, academicians, scientists, technical staff, and working professionals.

These programs are designed to enhance individual capabilities, strengthen the national talent pool, and contribute to India's technological and economic progress. Our professional online postgraduate programs further equip working professionals with cutting-edge knowledge in key emerging domains. In addition, seminars, conferences, and workshops conducted through OOA provide global exposure and ensure that learners remain updated with deep, domain-specific insights. IIT Kanpur reaffirms its commitment to fostering knowledge, innovation, and capacity building for the nation and beyond.

## MESSAGE FROM PROFESSOR IN CHARGE

For over six decades, IIT Kanpur has stood for academic depth, discipline, and innovation. The Institute's expansion into online education and select offline offerings reflects its commitment to extending IIT Kanpur-quality education to deserving learners, irrespective of geographical or personal constraints.

Through the Office of Outreach Activities, IIT Kanpur offers a diverse portfolio of continuing and distance education programs for working professionals and motivated graduates, including the recently launched online postgraduate degrees—M.Tech., M.Sc., and Postgraduate Diplomas.

All our programs are designed to broaden access at scale while preserving IIT Kanpur's hallmark standards of excellence, ensuring high-quality learning outcomes across all modes of delivery.

# REVISED GUIDELINES FOR OUTREACH ACTIVITIES AT IIT KANPUR

The Office of Outreach Activities (OOA) has issued revised guidelines for outreach events at IIT Kanpur, effective 20 August 2025. All outreach activities—particularly externally funded, online, and off-campus events—must be registered with OOA. As part of the revised framework, overhead charges will be applicable to recover Institute costs such as faculty time, institutional branding, and administrative support, with additional services billed separately, in line with Institute norms and Government of India regulations.

Detailed guidelines are available at:

[https://www.iitk.ac.in/oa/overhead\\_policy.pdf](https://www.iitk.ac.in/oa/overhead_policy.pdf)

## OFFERED PROGRAMS

### ONLINE M.TECH. PROGRAMS

- M.Tech. in Microelectronics & VLSI
- M.Tech. in RF Engineering
- M.Tech. in Wireless Networks & Machine Learning

### ONLINE M.SC. PROGRAMS

- M.Sc. in Economics and Data Analytics

### ONLINE PG DIPLOMA PROGRAMS

- PG Diploma in AIML
- PG Diploma in Cyber Security
- PG Diploma in Renewable Energy Technologies

## ONLINE POSTGRADUATE PROGRAMS

IIT Kanpur has introduced fully online postgraduate degree programs — including M.Tech, M.Sc., and PG Diploma — designed for working professionals and motivated graduates. These programs offer focused upskilling, industry-aligned curriculum, flexible duration, and personalized mentorship from IITK's world-class faculty.

With a two tier admission process, career-friendly learning format, and flexible pathway to master's programs, learners can build advanced technical and managerial expertise while becoming part of IIT Kanpur's prestigious global alumni network.

21-25 April 2025

## CONVOCATION OF EMASTERS STUDENTS (IITK 58TH CONVOCATION)

A total of 361 eMasters students graduated during IIT Kanpur's 58th Convocation. On the eve of the ceremony, the Office of Outreach Activities (OOA) organized an interactive session for all graduating eMasters students, offering a space to connect, reflect on their academic journey, and celebrate their achievements together.

A special highlight of the convocation was the recognition of four exceptional students who secured a perfect CPI of 10, showcasing remarkable mastery in their respective domains:

1. Pradeep R. G. - Communication Systems, Department of Electrical Engineering
2. Indronil Banerjee - Financial Technology and Management, Department of Management Sciences
3. Anand Sharma - Renewable Energy and E-Mobility, Department of Sustainable Energy Engineering
4. Nambiar Pranav V. V. Surendran - Artificial Intelligence and Machine Learning, Department of Electrical Engineering

This year's ceremony marked the third time eMasters graduates joined the convocation—reflecting the program's contribution to preparing skilled, future-ready professionals across diverse domains.

### National Conference on Innovative AI solution for Sustainable Cities

On 3rd February 2025, IIT Kanpur inaugurated the National Conference on Innovative AI Solutions for Sustainable Cities. The two-day event brought together 25 Vice Chancellors, 35 academic leaders, 35 startups (15 showcasing technologies), and 15 local industries to discuss AI-driven urban governance and sustainability.

**Coordinator**  
Prof. S. N. Tripathi  
Dept. of Civil Engineering

### "Anviksha" - A Research Scholars'

The Department of Humanities and Social Sciences, IIT Kanpur, hosted the second edition of Anviksha: A Research Scholars' Conference on 8-9 February 2025. With the theme "Identities", the conference brought together scholars from diverse fields to discuss how identities are formed, negotiated, and contested, addressing issues of belonging, representation, and social change.

Prof. Sushruth Ravish  
Dept. of Humanities and  
Social Sciences

### 2nd Mechanical Sciences Young Investigators Meet (MSYIM 2025)

From 16-19 March 2025, IIT Kanpur hosted the 2nd MSYIM, a three-day summit bringing together early-career researchers in mechanical sciences from across India. With talks, discussions, and networking, the event fostered collaborations in areas spanning solid mechanics, fluid mechanics, heat transfer, robotics, and manufacturing.

#### Coordinators

Prof. Dipayan Mukherjee  
Dept. of Mechanical  
Engineering

Prof. Tushar Sikrora  
Dept. of Mechanical  
Engineering

Prof. Ushasi Roy  
Dept. of Mechanical  
Engineering

Prof. Virkeshwar Kumar  
Dept. of Mechanical  
Engineering

### RSC Yusuf Hamied Chemistry Camp

The RSC Yusuf Hamied Chemistry Camp at IIT Kanpur was a three-day residential program for government school students, organized by the Royal Society of Chemistry (RSC) and the Department of Chemistry at IIT Kanpur, with support from a grant. The camp, held from February 14-16, 2025, offered hands-on experiments, science talks, movie screenings, and campus tours to inspire a lasting interest in chemistry for 100 Grade IX students from government schools in Basti District, Uttar Pradesh

#### Coordinators

Prof. Namrata Singh  
Dept. of Chemistry

Prof. Jitendra Bera  
Dept. of Chemistry

## Recent Advances in Modelling Rare Events 2025 (RARE 2025)

From 9-12 March 2025, IIT Kanpur hosted RARE 2025, organized by Prof. Nisanth N. Nair. The conference provided a focused platform for researchers and experts to share insights and advances in the specialized field of rare event modeling.

**Coordinator**

Prof. Nisanth N. Nair  
Dept. of Chemistry

## Advances in CCUS

IIT Kanpur hosted the Advances in Carbon Capture, Utilisation & Storage (CCUS) conference on 24-25 April 2025, bringing together researchers, policymakers, and industry experts. The event featured talks on industry perspectives, pilot and lab-scale studies, computational approaches, and a poster session by student delegates.

### Coordinators

Prof. Himanshu Sharma  
Dept. of Chemical  
Engineering

Prof. Ishan Bajaj  
Dept. of Chemical  
Engineering

Prof. Raghavendra Ragipani  
Dept. of Chemical  
Engineering

Prof. Salman Ahmad Khan  
Dept. of Chemical  
Engineering

## International Conference on Air Pollution and Climate Change

The International Conference on Air Pollution and Climate Change (ICAPCC) was held at IIT Kanpur on August 1-2, 2025. The event focused on the theme "Emission Dynamics and Climate Interactions of SLCPs in the Indo-Gangetic Plain (IGP)." The conference was organized in collaboration with Prof. D. P. Mishra, bringing together experts and researchers to discuss emerging challenges and solutions related to air quality and climate impacts.

**Coordinator**

Prof. Debi Prasad Mishra  
Dept. of Aerospace  
Engineering

## Mid Term Conference of National academy of Medical Science

IIT Kanpur, in collaboration with the National Academy of Medical Sciences (NAMS) and GSVM Medical College, successfully organized the Mid-Term Conference MIDNAMSCON 2025 on August 16-17, 2025. The event witnessed the presence of eminent dignitaries, including Padma awardees from medicine and engineering. Over 70 distinguished experts and faculty members participated as speakers and panelists, making it a truly diverse convergence of leaders. The program featured insightful talks, dynamic panel discussions, and student-led activities, fostering rich engagement and meaningful knowledge exchange.

### Coordinators

Prof. Ashok Kumar  
Dept. of Biological  
Sciences & Bioengineering

Prof. Rakesh Kumar Majhi  
Dept. of Biological  
Sciences & Bioengineering

## TRIPS-2025 (Technology, Research, Innovation & Policy Summit)

IIT Kanpur hosted the Technology, Research, Innovation, and Policy Summit (TRIPS) 2025 on August 21-23, 2025, centered on the theme "Bridging Research, Innovation, and Policy for a Sustainable Future." Coordinated by Dr. Siva Kumar and Dr. Yogesh Joshi, the summit brought together scientists, policy experts, and industry leaders from across the country. TRIPS serves as a unique platform that connects diverse STEM disciplines and promotes innovation-driven, evidence-based policymaking. This summit transcends traditional conferences by actively bridging the gap between cutting-edge research and practical policy frameworks.

### Coordinators

Prof. Yogesh M Joshi  
Dept. of Chemical  
Engineering

Prof. Sri Siva Kumar  
Dept. of Chemical  
Engineering

## Jetnet Annual Conference

The Just Transition Research Centre at IIT Kanpur hosted its first Just Transition Knowledge Network (JETNET) Annual Conference from 7-8 October 2025 at The International Centre Goa. The two-day event brought together over 120 participants who shared their research and insights on Just transition and related themes. Scholars and practitioners from India, the USA, Australia, Germany, Switzerland, the UK, Austria, and Russia participated, making it a truly global forum focused on equitable energy and sustainable development pathways.

**Coordinator**  
Prof. Pradip Swarnakar  
Dept. of Humanities and  
Social Sciences

## Aspects of CFT-2

The conference "Aspects of CFT-2" was held at IIT Kanpur from 7-12 October 2025, bringing together leading experts in conformal field theories (CFTs) for a week of in-depth discussions and scholarly exchange. The conference was the second edition in the series, following the successful Aspects of CFT-1 held in January 2024. The conference was supported by the Anusandhan National Research Foundation (ANRF).

### Coordinators

Prof. Diptarka Das  
Dept. of Physics

Prof. Apratim Kaviraj  
Dept. of Physics

## International Conference on Sustainability, Circularity, Outreach and Policy for Environment (SCOPE)

The International Conference on Sustainability, Circularity, Outreach and Policy for Environment (SCOPE) was held at IIT Kanpur from November 20-22, 2025. The three-day event was hosted by the Centre for Environmental Science and Engineering in association with the department of Civil Engineering and brought together global experts, researchers, industry persons, and policymakers to address critical challenges in water and environmental sustainability.

**Coordinator**  
Prof. Manoj Kumar Tiwari  
Dept. of Civil Engineering

## 48th All India Cell Biology Conference and Symposium - From Cell to Therapeutics

The 48th All India Cell Biology Conference and Symposium, the distinguished annual gathering of the Indian Society of Cell Biology, was held at the Indian Institute of Technology Kanpur from 7-9 December 2025. Centered on the theme "From Cell to Therapeutics," the conference underscored the pivotal role of fundamental biology in driving scientific innovation, while also reflecting the technological strengths of the host institute.

The three-day event featured a broad spectrum of topics across the field of cell biology, providing an engaging platform for scientific exchange, collaboration, and knowledge sharing among researchers, academicians, and experts from across the country.

### Coordinators

Prof. S. Ganesh  
Dept. of Biological Sciences  
& Bioengineering

Prof. Nitin Mohan  
Dept. of Biological Sciences  
& Bioengineering

Prof. Rakesh Kumar Majhi  
Dept. of Biological Sciences  
& Bioengineering

## CONCLAVES

### INAE Engineers Conclave 2025

The 12th Engineers Conclave, the annual flagship event of INEA, was held on October 28-29, 2025, at IIT Kanpur. The overarching theme for this year's Conclave was "Cyber Physical Systems," with focused sub-themes on "Intelligent Systems" and "Interdisciplinary Cyber Physical Systems." The Conclave brought together engineers, technologists, researchers from academic institutions, R&D organizations, industry professionals, domain experts from allied fields, and policymakers to deliberate and recommend actionable engineering solutions to some pertinent issues of National engineering interest.

#### Coordinator

Yogesh S. Chauhan  
Dept. of Electrical  
Engineering

### Regulatory Conclave on "Draft Electricity (Amendment) Bill, 2025": Regulators' Perspective

#### Coordinator

Prof. Anoop Singh  
Dept. of Management  
Sciences

On 01 November 2025, the Center for Energy Regulation (CER), Department of Management Sciences, IIT Kanpur, successfully organized the 3rd Regulatory Manthan on "The Draft Electricity (Amendment) Bill, 2025." The event served as a vital platform for in-depth discussions on the key provisions and potential implications of the proposed amendment for India's power sector, bringing together distinguished regulators, policymakers, legal experts, and industry leaders on a common platform.

**Coordinator**

Prof. Arunabh Meshram  
Dept. of Materials  
Science and Engineering

### National Symposium of Research Scholars on Metallurgy and Materials (NSRS-2025)

The Department of Materials Science and Engineering, IIT Kanpur, hosted the National Symposium of Research Scholars on Metallurgy and Materials (NSRS-2025) from 28 February–2 March 2025. Co-organized with Material Advantage IIT Kanpur, the Indian Institute of Metals Kanpur Chapter, and The Materials Science Society, the event brought together 85+ student participants from across India for knowledge sharing and collaboration.

### REsearch And CHallenges (REACH-2025)

The REACH (REsearch And CHallenges) Symposium 2025 was held from 7–10 March at Jaypee Palace and Convention Center, Agra. Centered on themes of AI, energy materials, and translational science, the symposium featured lectures by Prof. Manindra Agrawal, Prof. Dhruv Raina, and Prof. Sachchida Nand Tripathi, along with a panel discussion on Beyond The Paved Road. The event provided a vibrant platform for exchange of ideas across diverse scientific domains.

**Coordinators**

Prof. Rohit Medwal  
Dept. of Physics

Prof. Raj Ganesh S. Pala  
Dept. of Chemical  
Engineering

**Coordinator**

Prof. Abhishek Sarkar  
Dept. of Mechanical  
Engineering

### Industry Academia Symposium 2025 (IAS 2025)

IIT Kanpur's Association of Mechanical Engineers hosted IAS 2025 on March 22–23, bringing together top institutes and industries to explore advances in sustainability, design, fluid sciences, and manufacturing. With wide participation from academia and partners like DRDO, HAL, GAIL, and Maruti, the symposium fostered strong industry-academia collaboration and innovation in mechanical engineering.

### Quantum Quest 2025 at IIT Kanpur

The Mission Coordination Cell of the National Quantum Mission (NQM) at IIT Kanpur successfully organized Quantum Quest 2025 on March 22–23, 2025. The two-day event brought together scientists, researchers, industry experts, start-ups, and government representatives to discuss the growth of quantum technologies in India. As NQM's flagship awareness and knowledge-sharing program, Quantum Quest 2025 highlighted India's efforts to strengthen indigenous quantum research and innovation.

**Coordinator**

Prof. Manindra Agarwal  
Dept. of Computer Science  
and Engineering

## Biomedical Engineering Symposium 2025

IIT Kanpur hosted the International Biomedical Engineering Symposium (IBES) 2025 on 26th July 2025, bringing together leading researchers, academicians, and industry experts to explore the frontiers of biomedical innovation and the future of healthcare. Alongside IBES, the institute also organized the BSBE Day 2025 Annual Symposium, with focused discussions on bioengineering, developmental biology, cellular biology, and microbiology, highlighting cutting-edge research and interdisciplinary collaboration.

**Coordinator**

Prof. Ketan Rajawat  
Dept. of Electrical  
Engineering

---

## EE Research Scholar Day

**Coordinator**

Prof. Nagarjuna Nallam  
Dept. of Electrical  
Engineering

The EE Research Scholar Day 2025, hosted by the Department of Electrical Engineering, IIT Kanpur, was held on October 25, 2025, providing a vibrant platform for PhD and M.Tech students to showcase their original research through oral presentations and poster sessions. The event focused on building connections and sharing feedback through active participation of students, faculty, and invited researchers.

---

## Organic Chemistry Symposium (OCS-2025)

The Department of Chemistry, IIT Kanpur, has organized the Organic Chemistry Symposium (OCS-2025) on November 14-15, 2025, bringing together scientists and researchers working in organic chemistry and allied areas. A special dedicatory session was held in honour of Prof. S. Chandrasekaran on the occasion of his 80th birthday. The program included 15 invited lectures and brought together scientists working in Organic Chemistry and allied research areas.

**Coordinator**

Prof. Dattatraya Dethe  
Dept. of Chemistry

---

## IEEE Symposium on Microelectronics and VLSI

**Coordinator**

Prof. Imon Mondal  
Dept. of Electrical  
Engineering

IIT Kanpur recently hosted the IEEE Symposium on Microelectronics & VLSI on November 29, 2025, organized by the Electrical Engineering Department in collaboration with IEEE UP Section, bringing together experts in semiconductor design, devices, and integrated circuits for discussions on the latest advancements. The event, featured presentations and interactions with leading researchers and students, highlighting IITK's strong focus and research activities in Microelectronics and VLSI, covering areas like spintronics, device modeling, AI in circuits, and optoelectronics.

# SEMINAR

## Research Scholars' Day 2025

On 01 March 2025, the Materials Science Department organized Research Scholars' Day 2025 (RSD), an annual forum designed to encourage knowledge exchange and collaboration among researchers. Emphasizing the interdisciplinary spirit of the program, the event was titled MatSci, reflecting its fusion of Physics, Chemistry, and Engineering.

This year, MatSci-2.0 featured a range of interactive activities, including student–alumni interactions, skill development workshops, and MatSci-themed games, designed to make learning both engaging and enjoyable.

### Coordinator

Prof. Raj Ganesh S. Pala  
Department of Chemical  
Engineering  
and  
Materials Science Programme

The Office of Outreach Activities, IIT Kanpur, successfully conducted 67 short-term courses between January and December 2025. These courses offered students, professionals, and researchers valuable opportunities to enhance their skills, gain practical knowledge, and explore diverse fields

- **Introduction to Infrastructure Asset Management**  
(06.01.2025–09.01.2025 & 29.01.2025–01.02.2025)

- **One Day Refresher Course in Concrete Engineering**  
(25.01.2025)

**Coordinator**

Prof. Sudhir Misra  
Dept. of Civil Engineering

- **E-Summit**  
(17.01.2025–19.01.2025)

**Coordinator**

Prof. Ankush Sharma  
Dept. of Electrical Engineering

- **Professional Development Programme**  
(06.01.2025–10.01.2025)

**Coordinator**

Prof. Dipankar Chakrabarti  
Dept. of Physics

- **Artificial Intelligence Short term Training**  
(20.01.2025–18.02.2025)

**Coordinator**

Prof. Ketan Rajawat  
Dept. of Electrical Engineering

- **Certificate Course on Just Transition**  
(12.07.2025–10.08.2025 & 06.12.2025–28.12.2025)

**Coordinator**

Prof. Pradip Swarnakar  
Dept. of Humanities and Social Sciences

## SHORT TERM COURSES

- **Faculty Development Program on Hardware Security**

(23.01.2025–27.01.2025)

**Coordinators**

Prof. Urbi Chatterjee  
Dept. of Computer Science and Engineering

Prof. Debapriya Basu Roy  
Dept. of Computer Science and Engineering

- **Capsule Course for Medical Cadets of AFMC, Pune ARONAV**

(29.01.2025–03.02.2025)

**Coordinator**

Prof. Santosh Kumar Misra  
Dept. of Biological Sciences and Bioengineering

- **Big Data and Data Analytics**

(01.02.2025–05.02.2025, 21.02.2025–22.02.2025, 24.03.2025–28.03.2025 & 26.11.2025–27.11.2025)

- **Artificial Intelligence and Machine Learning**  
(17.03.2025–21.03.2025)

**Coordinators**

Prof. B. V. Rathish Kumar  
Dept. of Mathematics and Statistics

Prof. Shankar Prawesh  
Dept. of Management sciences

- **Helicopter Dynamics and Handling Qualities**

(10.02.2025–22.02.2025 & 01.12.2025–06.12.2025)

- **Short Term Online Course on eVTOL Technology**  
(02.06.2025–06.06.2025)

- **Drone Maintenance and Assembling**  
(22.09.2025–01.10.2025)

**Coordinator**

Prof. Abhishek  
Dept. of Aerospace Engineering

- **Modern Geodetic Techniques in Surveying for Survey of India Supervisory Level Officers**  
(12.02.2025–19.02.2025)

- **Strengthening of Positioning Infrastructure through advanced geodetic methods for Sol officials**  
(15.09.2025–26.09.2025)

**Coordinator**

Prof. Onkar Dikshit  
Dept. of Civil Engineering

- **JSW Smart Manufacturing**  
(13.02.2025–15.02.2025)

**Coordinator**

Prof. Raghu Nandan Sengupta  
Dept. of Management Sciences

- **Principles and Practices of Bituminous Pavement Design**  
(17.02.2025–19.02.2025)

**Coordinators**

Prof. Prabin Kumar Ashish  
Dept. of Civil Engineering

Prof. Animesh Das  
Dept. of Civil Engineering

- **AI and ML in Industrial Safety**  
(17.02.2025–19.02.2025)
- **Applied Data Science & Machine Intelligence: Fundamentals to Next Generation AI**  
(15.11.2025–18.12.2025)

**Coordinator**

Prof. Rajesh M. Hegde  
Dept. of Electrical Engineering

- **Executive Certificate Program in Cybersecurity**  
(22.02.2025–21.02.2028)
- **Professional Certificate Programme in Blockchain**  
(22.02.2025–21.02.2028)

**Coordinators**

Prof. Sandeep K Shukla  
Dept. of Computer Science  
and Engineering

Prof. Urbi Chatterjee  
Dept. of Computer  
Science and Engineering

- **IITK Kanpur Certificate Program on PYTHON + QISKIT for Data Science, Data Analytics and Quantum Computing**  
(01.03.2025–28.03.2025)
- **IIT Kanpur Certificate Program on PYTHON for Artificial Intelligence, Machine Learning, and Deep Learning**  
(01.06.2025–27.06.2025)

- **IIT Kanpur Certificate Program on PYTHON+MATLAB/OCTAVE-Based, Simulation and Design of 5G/6G Wireless Technologies**  
(01.09.2025–26.09.2025)

**Coordinator**

Prof. Aditya K Jagannatham  
Dept. of Electrical Engineering

- **Robotics**  
(03.03.2025 - 08.03.2025)

**Coordinators**

Prof. Ashish Dutta  
Dept. of Mechanical  
Engineering

Prof. K R Guruprasad  
Dept. of Mechanical  
Engineering

- **Data Driven Governance**  
(10.03.2025–20.03.2025 &  
12.05.2025–17.05.2025)
- **Technology, Economics & Public Policy: A Training on Data Driven Governance**  
(19.05.2025–23.05.2025)
- **Good Governance and Leadership, Participatory Planning and Resource Management**  
(02.07.2025–01.07.2026)
- **Five-Day Training Program on "Technology, Economics, and Public: A Training on Data-Driven Governance**  
(22.09.2025–26.09.2025)

**Coordinator**

Prof. Vimal Kumar  
Dept. of Economic Sciences

- **Industrial and Electronic Waste and Mangement**  
(10.03.2025–15.03.2025)

**Coordinator**

Prof. Arunabh Meshram  
Dept. of Materials Science And  
Engineering

► **Unmanned Aerial Systems for Geospatial Intelligence**

(17.03.2025–23.03.2025)

**Coordinator**

Prof. Salil Goel  
Dept. of Civil Engineering

► **Shrouding, Tundish Metallurgy & Clean Steelmaking**

(30.03.2025–31.03.2025)

► **Steelmaking and Refractories**

(30.10.2025–01.11.2025)

**Coordinator**

Prof. Dipak Mazumdar  
Dept. of Materials Science And Engineering

► **Video Content Development for Govt. Schools of Uttar Pradesh**

(31.03.2025–31.03.2026)

► **SMC Program**

(13.09.2025–14.09.2025)

**Coordinator**

Prof. Amey Karkare  
Dept. of Computer Science and Engineering

► **Regional Centre for Engineering Education Excellence (CEEE)**

(10.05.2025–31.03.2028)

**Coordinator**

Prof. Jayant Singh  
Dept. of Chemical Engineering

► **ESG and Business Sustainability**

(10.05.2025–14.09.2025)

**Coordinators**

Prof. Rajeev Jindal  
Dept. of Sustainable Energy Engineering

Dr. Mousami Prasad  
Dept. of Management Sciences

► **Computational Aerodynamics for Unmanned Air Vehicles**

(26.05.2025–31.05.2025 & 14.07.2025–19.07.2025)

**Coordinator**

Prof. Navrose  
Dept. of Aerospace Engineering

► **5<sup>th</sup> Regulatory Certification Program on Power Sector Regulation: Theory and Practice**

(06.06.2025–22.06.2025)

► **2nd Capacity Building Programme on "Regulatory and Policy Framework in the Indian Power Sector: Load Despatchers Perspective**

(24.07.2025–26.07.2025)

► **5th Regulatory Certification Program on "Power Market Economics and Operation**

(30.08.2025–17.09.2025)

► **5th Global Regulatory Perspectives Programme for Commissioners of Electricity Regulatory Commissions**

(19.11.2025–21.11.2025)

► **Regulatory Certification Program on "Renewable Energy: Economics, Policy and Regulation**

(10.12.2025–04.01.2026)

**Coordinator**

Prof. Anoop Singh  
Dept. of Management Sciences

► **Human centric Design Philosophy for Design of Man Machine Interface for avionics displays and control panel for military fighter aircraft**

(16.06.2025–20.06.2025)

**Coordinator**

Prof. Vivek Kant  
Dept. of Design

► **ITEC Course on Space Mission Design, Analysis and Operations**

(28.07.2025–09.08.2025)

**Coordinators**

Prof. Bushra Ateeq  
Dept. of Biological Sciences and Bioengineering

Prof. Dipak Kumar Giri  
Dept. of Aerospace Engineering

► **Online Summer School on GNSS - 2025**

(07.07.2025–09.07.2025)

► **GRACE Hackweek 5, an online school on Time variable gravity field from GRACE/GRACE-FO satellite missions**

(29.09.2025–03.10.2025)

**Coordinator**

Prof. Balaji Devaraju  
Dept. of Civil Engineering

► **Flexible Electronics 2025**

(23.07.2025-27.07.2025)

**Coordinator**

Prof. Baquer Mazhari  
Dept. of Electrical Engineering

► **Micromechanical Analysis of Granular Materials**

(03.11.2025-06.11.2025)

**Coordinator**

Prof. Arghya Das  
Dept. of Civil Engineering

► **Introduction to Manned and Unmanned Aerial Battlefield Surveillance: Sensor, Signal Processing and Fusion Aspects**

(18.08.2025-22.08.2025)

**Coordinator**

Prof. Naren Naik  
Dept. of Electrical Engineering

► **Source to Tap: Design and Analysis of Water Supply Systems**

(10.11.2025-15.11.2025)

**Coordinators**

Prof. Abhijith G. R  
Dept. of Civil Engineering

Prof. Manoj Kumar Tiwari  
Dept. of Civil Engineering

► **Sustainable Agricultural Practices for Developing Nations**

(25.08.2025-28.08.2025)

**Coordinator**

Prof. J. Ramkumar  
Dept. of Design

► **Sustainability in Steel and Refractory Industry**

(15.12.2025-16.12.2025)

**Coordinator**

Prof. Rahul Sarkar  
Dept. of Materials Science  
And Engineering

► **Online Python-Based Short-term Course on Machine Learning from Theory to Practice**

(01.09.2025-30.09.2025)

**Coordinator**

Prof. Yatindra Nath Singh  
Dept. of Electrical Engineering

► **Introduction to Infrastructure Asset Management**

(10.09.2025-13.09.2025, 20.11.2025-23.11.2025 & 27.08.2025-30.08.2025)

► **Contract management and construction laws for professionals**

(08.10.2025-10.10.2025)

**Coordinators**

Prof. Chirag Kothari  
Dept. of Civil Engineering

Prof. Sudhir Misra  
Dept. of Civil Engineering

► **Certificate Programme Carbon Trading and Markets**

(27.10.2025-29.10.2025)

**Coordinator**

Prof. Wasim Ahmed  
Dept. of Economic Sciences

From January to December 2025, the Office of Outreach Activities, IIT Kanpur, facilitated 45 workshops offering skill development, professional growth, global exposure, and domain-specific insights.

## WORKSHOPS

### ► Transforming E-Healthcare Data Management in LMICs Using Blockchain Technology

(12.01.2025-18.01.2025)

#### Coordinator

Prof. Sandeep K Shukla  
Dept. of Computer Science and Engineering

### ► Bharatiya Bhasha Pariwar

(15.02.2025 - 16.02.2025)

### ► 3rd Workshop on Experimental and Empirical Methods in Linguistics (EEL)

(25.06.2025-29.06.2025)

#### Coordinators

Prof. Ark Verma  
Dept. of Humanities and Social Sciences

Prof. Himanshu Yadav  
Dept. of Cognitive Sciences

### ► Geospatial Technologies and Smart Cities

(15.01.2025 - 16.01.2025)

#### Coordinators

Prof. Salil Goel  
Dept. of Civil Engineering

Prof. Aditya Medury  
Dept. of Civil Engineering

### ► Workshop on Devices and Circuits

(17.01.2025 - 21.01.2025)

#### Coordinators

Prof. Avinash Lahgere  
Dept. of Electrical Engineering

Prof. Yogesh Singh Chauhan  
Dept. of Electrical Engineering

### ► Hand on FPGA Based System Design and Side Channel Analysis

(01.03.2025 - 06.03.2025)

#### Coordinators

Prof. Urbi Chatterjee  
Dept. of Computer Science and Engineering

Prof. Debapriya Basu Roy  
Dept. of Computer Science and Engineering

### ► Teaching Earthquake - Resistant Structures In undergraduate Architecture Design Studios

(08.03.2025 - 10.03.2025)

#### Coordinators

Prof. Durgesh C Rai  
Dept. of Civil Engineering

Prof. Chinmoy Kolay  
Dept. of Civil Engineering

### ► Visual Arts Research Methodology Workshop

(17.01.2025 - 18.01.2025)

#### Coordinator

Prof. Ritwij Bhowmik  
Dept. of Humanities and Social Sciences & Design Programme

### ► Climate Justice and Climate Policy

(05.02.2025-07.02.2025)

#### Coordinator

Prof. Pradip Swarnakar  
Dept. of Humanities and Social Sciences

### ► Sparc Workshop Cum Conference on HDFT & TBI

(08.03.2025 - 09.03.2025)

#### Coordinator

Prof. B. V. Rathish Kumar  
Dept. of Mathematics and Statistics

► **Sustainable Water Harvesting: Principles and Technologies**

(10.03.2025–11.03.2025)

**Coordinators**

Prof. Malay K. Das  
Dept. of Mechanical Engineering

Prof. K. Muralidhar  
Dept. of Mechanical Engineering

► **Metamaterial Antennas and Applications**  
(18.04.2025 – 20.04.2025)

**Coordinators**

Prof. Raghvendra Kumar Chaudhary  
Dept. of Electrical Engineering

Prof. Kumar Vaibhav Srivastava  
Dept. of Electrical Engineering

► **Sankalan**

(22.03.2025 – 23.03.2025)

**Coordinator**

Prof. Chunendra K Sahu  
Dept. of Civil Engineering

► **Pre-Compliance and Full-Compliance EMC Testing Techniques**

(24.03.2025 – 26.03.2025)

**Coordinator**

Prof. M Jaleel Akhtar  
Dept. of Electrical Engineering

► **Techno-economic aspects of Healthcare provider-beneficiary Interaction on Surgeries**

(29.03.2025 – 31.03.2025)

**Coordinators**

Prof. Murali Prasad Panta  
Dept. of Economic Sciences

Prof. Praveen Kulshreshtha  
Dept. of Economic Sciences

► **One Day Workshop on Watershed Development Component under PMKSY- 2.0**

(04.04.2025)

**Coordinator**

Prof. S. N. Tripathi  
Dept. of Civil Engineering

► **An Introductory Workshop on Exoplanet Detection and Characterization**

(04.04.2025 – 06.04.2025)

**Coordinators**

Prof. Gopal Hazra  
Dept. of Physics

Prof. Prashant Pathak  
Dept. of Space, Planetary & Astronomical Sciences & Engineering

► **Hands on Workshop on Computational Thermodynamics**

(22.04.2025 – 24.04.2025)

**Coordinators**

Prof. Soumya Sridar  
Dept. of Materials Science & Engineering

Prof. Niraj Mohan Chawake  
Dept. of Materials Science & Engineering

► **Mastering Innovation & Valuation: Tools for Entrepreneurial Value Creation**

(22.04.2025.26.04.2025)

**Coordinator**

Prof. B. V. Phani  
Dept. of Management Sciences

► **Earthquake Resistant Practices for UG Students of Architecture**

(16.06.2025 – 20.06.2025)

**Coordinator**

Prof. Durgesh C Rai  
Dept. of Civil Engineering

► **ACM Grad Cohort 2025**

(06.07.2025–07.07.2025)

**Coordinator**

Prof. Preeti Malakar  
Dept. of Computer Science & Engineering

► **Hands on training and workshop on CNC machining for army personnel**

(14.07.2025–25.07.2025)

**Coordinator**

Prof. Sarvesh Kumar Mishra  
Dept. of Mechanical Engineering

► **Brainstorming Workshop on Next-Generation GNSS Systems**

(21.07.2025)

**Coordinator**

Prof. Onkar Dikshit  
Dept. of Civil Engineering

► **Workshop on Wireless Communication Technologies for the Next Decade**

(16.08.2025)

**Coordinator**

Prof. Subrahmanya Swamy Peruru  
Dept. of Electrical Engineering

► **Hooked: A Solid Mechanics Summer Camp@IIT Kanpur**

(21.07.2025-24.07.2025)

**Coordinators**

Prof. Sumit Basu  
Dept. of Mechanical Engineering

Prof. Ushasi Roy  
Dept. of Mechanical Engineering

Prof. Manjesh Kumar Singh  
Dept. of Mechanical Engineering

Prof. Supratik Mukhopadhyay  
Dept. of Mechanical Engineering

► **Workshop on X-ray Diffraction: Principles, Operation, and Data Interpretation**

(18.08.2025-19.08.2025)

► **Workshop on Bet Surface Area Analyzer and Rheometer: Principles, Operation, Data Acquisition, and Interpretation**

(18.09.2025-19.09.2025)

**Coordinator**

Prof. Himanshu Sharma  
Dept. of Chemical Engineering

► **Advances in Microscopy: Optical Imaging across the scales**

(04.09.2025)

**Coordinators**

Prof. Nitin Mohan  
Dept. of Biological Sciences & Bioengineering

Prof. Anish Upadhyaya  
Dept. of Materials Science and Engineering

► **Materials and Processes in Additive Manufacturing**

(10.07.2025)

► **Three Days Lab Visit**

(17.09.2025-19.09.2025)

**Coordinator**

Prof. Sudhanshu Shekhar Singh  
Dept. of Materials Science and Engineering

► **IEEE DEIS Summer School 2025**

(20.09.2025-25.09.2025)

**Coordinator**

Prof. Nandini Gupta  
Dept. of Electrical Engineering

► **Workshop on Atom Probe Tomography**

(11.09.2025)

**Coordinators**

Prof. Niraj Moan Chawake  
Dept. of Materials Science and Engineering

Prof. Anish Upadhyaya  
Dept. of Materials Science and Engineering

► **Advanced Executive Program on Emerging Communication Technologies for Probationers of ITS Group**

(10.08.2025-01.12.2025)

**Coordinators**

Prof. Rohit Budhiraja  
Dept. of Electrical Engineering

Prof. Adrish Banerjee  
Dept. of Electrical Engineering

► **Workshop on Lasers, Photonics & Industrial Safety**

(03.10.2025-05.10.2025)

**Coordinator**

Prof. Pradeep Kumar  
Center for Lasers and Photonics (PSE)

► **Fostering Industry-Academia Linkages in Transportation Engineering Research and Education**

(04.10.2025-05.10.2025)

**Coordinator**

Prof. Aditya Medury  
Dept. of Civil Engineering

► **Hands on Workshop on Correlative FESEM and Confocal**

(24.11.2025-25.11.2025)

**Coordinators**

Prof. Sri Sivakumar  
Nanoscience &  
Nanotechnology Laboratory

Dr. Prabhat K Dwivedi  
Centre for Nanosceinces

► **Spinning/Weaving = Being with Self (A hands on workshop on spinning and weaving)**

(14.10.2025-18.10.2025)

► **Basics of Blueprint**

(25.10.2025-26.10.2025)

**Coordinator**

Prof. Shatrupa Thakurta Roy  
Dept. of Design

► **Workshop on Advanced Microscopy Techniques in Life Sciences**

(10.12.2025-11.12.2025)

**Coordinators**

Prof. Nitin Mohan  
Dept. of Biological  
Sciences &  
Bioengineering

Prof. S. Ganesh  
Dept. of Biological  
Sciences &  
Bioengineering

Prof. Rakesh K Majhi  
Dept. of Biological  
Sciences &  
Bioengineering

► **Agricultural Practices using Drones: Plan, Design, Build, and Fly Training Program**

(30.10.2025-08.11.2025)

**Coordinators**

Prof. J. Ramkumar  
Dept. of Design

Dr. Amandeep Singh  
Imagineering Laboratory

► **Third-Generation Super Omniphobic Foul-release Marine Coating for Water-borne Vehicles**

(12.12.2025)

**Coordinator**

Prof. Krishanu Biswas  
Dept. of Materials Science  
and Engineering

► **Techno-economic aspects of Surgery intervention in India and Australia: The role of ex-ante and ex-post systems**

(03.11.2025-04.11.2025)

**Coordinator**

Prof. Murali Prasad Panta  
Dept. of Economic Sciences

► **International Workshop on Advanced Numerical Modelling for Geotechnical Engineering**

(06.11.2025-09.11.2025)

**Coordinators**

Prof. Arghya Das  
Dept. of Civil  
Engineering

Prof. Nihar Ranjan  
Patra  
Dept. of Civil  
Engineering

Prof. Jagdish P  
Sahoo  
Dept. of Civil  
Engineering

► **Regional Workshop on Research and Opportunities**

(12.12.2025-13.12.2025)

**Coordinators**

Prof. Pooja Singla  
Dept. of  
Mathematics &  
Statistics

Prof. Dootika Vats  
Dept. of  
Mathematics &  
Statistics

Prof. Nandini  
Nilakantan  
Dept. of Mathematics  
and Statistics

From January to December 2025, the Office of Outreach Activities at IIT Kanpur facilitated 26 self-financed internships in addition to SURGE and SARIP, reflecting the institute's continued commitment to expanding hands-on learning and industry exposure.

## INTERNSHIPS

### ◆ **Simulation of two-phase System**

(20.01.2025-30.06.2025)

### ◆ **Simulation of incompressible fluids**

(18.05.2025-18.07.2025)

### ◆ **Effect of Shock Deflection Angles and Mach Number on Supersonic Cavity Oscillation**

(18.05.2025-18.07.2025)

#### **Coordinator**

Prof. Ashoke De  
Dept. of Aerospace Engineering

### ◆ **Synthesis and Characterisation of Pyrrole Bridged Porphyrin Dimer**

(04.05.2025-28.06.2025)

### ◆ **Cyclic Bisporphyrin based Molecular Cage**

(9.05.2025-12.07.2025)

### ◆ **Synthetic Model of Multiheme Protein**

(26.05.2025 - 21.07.2025)

#### **Coordinator**

Prof. S P Rath  
Dept. of Chemistry

### ◆ **Data Analytics, Web Development, and Technical Reporting**

(19.05.2025-15.07.2025)

#### **Coordinator**

Prof. Amey Karkare  
Dept. of Computer Science  
and Engineering

### ◆ **3D Reconstruction of Multiple Images**

(12.05.2025-12.07.2025)

#### **Coordinator**

Prof. Tushar Sandhan  
Dept. of Electrical Engineering

### ◆ **Monitoring of AM System**

(13.05.2025-11.07.2025)

#### **Coordinator**

Prof. Sarvesh Mishra  
Dept. of Mechanical Engineering

### ◆ **Synthesis and characterization of thermally stable, nitrogen rich energetic materials**

(13.05.2025-11.07.2025)

### ◆ **Synthesis of nitrogen rich high energy density materials & their applications**

(13.05.2025-04.07.2025)

#### **Coordinator**

Prof. Srinivas Dharavath  
Dept. of Chemistry

### ◆ **Functionalized imidazolium salts for M-complexes and MOFs**

(13.05.2025-13.06.2025)

#### **Coordinator**

Prof. G. Anantharaman  
Dept. of Chemistry

◆ **ML & Applications in Maths & Stat**

(15.05.2025-09.07.2025)

◆ **DE: Theory, Computation & Application**

(15.05.2025 - 09.07.2025)

**Coordinator**

Prof. BV. Rathish Kumar  
Dept. of Mathematics and Statistics

◆ **Cognitively Adaptive BCI for Improved P300 Classification**

(19.05.2025-30.06.2025)

**Coordinator**

Prof. Nikunj Bhagat  
Dept. of Electrical Engineering

◆ **NADH autofluorescence as a metabolic biomarker in model microbes for spaceflight applications**

(20.05.2025-15.08.2025)

**Coordinator**

Prof. Yamini Jangir  
Dept. of Space, Planetary &  
Astronomical Sciences & Engineering

◆ **Flow Past Pentagonal Bluff Body**

(21.05.2025-25.07.2025 & 30.05.2025-24.07.2025)

◆ **Study of Incompressible Flow through sudden Expansion**

(27.05.2025-22.07.2025)

**Coordinator**

Prof. Arun K Saha  
Dept. of Mechanical Engineering

◆ **Design of Flexure for wind tunnel application**

(23.05.2025-18.07.2025)

**Coordinator**

Prof. Alakesh Chandra Mandal  
Dept. of Aerospace Engineering

◆ **Power side channel attacks**

(27.05.2025-25.07.2025)

◆ **Acoustic Side Channel Attack on Virtual Keypad**

(19.06.2025-19.08.2025)

**Coordinator**

Prof. Urbi Chatterjee  
Dept. of Computer Science and  
Engineering

◆ **Data Analytics and Visualization Report on Crop Residue Management**

(01.06.2025-31.07.2025)

**Coordinator**

Prof. Shankar Prawesh  
Dept. of Management Sciences

◆ **Effect of rotor blades on a flat plate boundary layer**

(01.06.2025-31.07.2025)

**Coordinator**

Prof. Tufan Kumar Guha  
Dept. of Aerospace Engineering

◆ **Evaluating Inter-Subject Variability in HPA Axis Activity and their Behavioral Correlates Across Species**

(03.06.2025-30.07.2025)

**Coordinator**

Prof. Arjun Ramkrishnan  
Dept. of Biological Sciences &  
Bioengineering

- ◆ **Evapotranspiration Partitioning Using Heavy Isotopes of Nitrogen and Oxygen**  
(18.06.2025 – 14.08.2025)
- ◆ **Hydraulics and Soil Testing Techniques for Sustainable Agriculture**  
(01.07.2025–25.08.2025)

#### Coordinator

Prof. Shivam Tripathi  
Dept. of Civil Engineering

## PROGRAMS COORDINATED BY PIC, OOA

### FOREIGN LANGUAGE PROGRAM

The Foreign Language Program (FLP) is being offered at IIT Kanpur from 01 August 2025 to 30 April 2026, with courses in French, German, and Japanese, chosen for their global relevance and cultural significance. Each course focuses on developing core language skills—reading, writing, listening, and speaking—while familiarizing learners with the cultural and social contexts of the respective regions. Open to students, researchers, and professionals, the program provides a meaningful opportunity to strengthen global competence and communication skills.

### SURGE

The Students-Undergraduate Research Graduate Excellence Program (SURGE2025) was held at IIT Kanpur from May 13 to July 11, 2025. Organized by the Office of Outreach Activities, it is an 8-week undergraduate research internship program that provides young scholars with intensive research exposure. Since its launch in 2006, SURGE has grown steadily, offering increasing opportunities for students to engage in meaningful research and pursue academic excellence.

### SARIP

The Student Advance Research Internship Program (SARIP 2025), a postgraduate research internship, was held at IIT Kanpur from May 13 to July 11, 2025. Conducted under the aegis of the Office of Outreach Activities (OOA), the program fosters research culture and interdisciplinary learning, offering students a platform to explore innovative ideas and engage with IIT Kanpur's vibrant research community.

# SURGE/SARIP 2025: LECTURE SERIES

## ◆ SURGE Lecture: 1

Are We Building the Right Things?  
An Introduction to Human-Centered Design for Engineers

◆ **Speaker:** Dr. Sruti Raghavan

**Department:** Computer Science & Engineering,  
IIT Kanpur

## ◆ SURGE Lecture: 2

Atomic Collisions- Understanding the Fascinating  
World of Coulomb Interaction

◆ **Speaker:** Prof. Aditya H. Kelkar

**Department:** Physics, IIT Kanpur

## ◆ SURGE Lecture: 3

Key Scientific Discoveries that Drive Today's  
Mobile Phones

◆ **Speaker:** Prof. Ajit K. Chaturvedi

**Department:** Electrical Engineering, IIT Kanpur

## ◆ SURGE Lecture: 4

Platforms and Power: How Digital Business  
Models Reshape Markets and Strategy

◆ **Speaker:** Prof. Vimal Kumar

**Department:** Economic Sciences, IIT Kanpur

# VISITS BY SCHOOLS

A one-day lab visit program was organized for the students of PM Shri Kendriya Vidyalaya, Kanpur Dehat on 13 February 2025, and for JNV Shahjahanpur on 13 November 2025. During these visits, students had the opportunity to explore several key facilities at IIT Kanpur, including the Physics Lab, the Computer Centre, the Flight Laboratory, The Mehta Family Centre for Engineering in Medicine and the Robotics Lab.

# CAMPUS IMMERSION PROGRAMME OF SCPM

7-11 April 2025

From April 7th to 11th, the SCPM students gathered at the IIT Kanpur campus for an enriching Campus Immersion Programme. The week-long engagement featured insightful discussions, meaningful networking opportunities, and in-depth explorations of sustainable construction practices. The experience fostered collaboration, inspired innovation, and offered students a deeper connection with the field—and with each other—as they prepare for their professional journeys ahead.

# CAMPUS IMMERSION PROGRAMME OF REEM

21-25 April 2025

The Department of Sustainable Energy Engineering (SEE) at IIT Kanpur hosted a Campus Immersion Programme from April 21<sup>st</sup> to 24<sup>th</sup>, 2025. This engaging four-day event offered students a first-hand experience of the IIT Kanpur campus, in-person classes, face-to-face interactions with faculty, and guided visits to state-of-the-art laboratories

# CAMPUS IMMERSION PROGRAMME OF AIML

15-17 July 2025

From 15 to 17 July, the eMasters students of the AIML programme participated in an intensive Campus Immersion Programme at IIT Kanpur. The three-day engagement featured expert-led sessions, interactive discussions, and hands-on learning in artificial intelligence and machine learning. The programme fostered academic interaction, peer networking, and exposure to cutting-edge applications.

# CAMPUS IMMERSION PROGRAMME OF NGWT

18-20 July 2025

The eMasters students of the Next Generation Wireless Technologies programme attended a Campus Immersion Programme at IIT Kanpur from 18 to 20 July 2025. The three-day programme featured expert-led lectures, interactive sessions, and hands-on discussions on emerging wireless communication technologies, facilitating faculty interaction, peer engagement, and exposure to real-world applications.

# OUR TEAM

## OFFICE OF OUTREACH ACTIVITIES

### FINANCE & GENERAL ADMIN

Mr. Pronabh Barua

#### Team members

Mrs. Sanno Devi Kushwaha  
Mrs. Richa Dey  
Mrs. Swati Jaiswal  
Mr. Sumit Ghildiyal  
Mr. Sudesh Kumar Gupta  
Mr. Ram Naresh Chaurasiya

### ACADEMICS & POLICY

Dr. Kasturi Sadhu

#### Team members

Mr. Vinay Kumar  
Mr. Virendra Verma  
Ms. Shruti Bajpai  
Mrs. Lisha Biswas  
Mrs. Vaidhegi B  
Mr. Himanshu  
Mrs. Archana Diwakar  
Ms. Rabia Khatoon  
Mr. Ankit Yadav

### TECHNICAL

Mrs. Revathy KT

#### Team members

Mrs. Lavanya Ravichandran  
Mr. Pradeep Singh  
Mr. Shantanu Yadav  
Mr. Shubham Tiwari  
Mr. Prashant Kumar  
Mr. Sumit Rajpal  
Mr. Deepak Kumar  
Mr. Abhishek Krishna Shukla  
Ms. Sugatha Chaturvedi  
Mrs. Bidisha Chowdhury  
Mr. Om Prakash Verma  
Mr. Yogendra Singh  
Mr. Krish Yadav

### MARKETING

Dr. Aatmeeyata

#### Team members

Mrs. Kavita Singh  
Ms. Deeksha Singh  
Mr. Abhishek Singh  
Mrs. Divya  
Mrs. Meenu
