The whole team:
EXCHANGE PROGRAM

Semester dates

semester 1 (winter semester): September through February
nomination deadline: 15 April

semester 2 (spring semester): March through August
nomination deadline: 15 October

Application procedure

Students receive an email with a link to our online application platform (MoveON) in mid-April for winter semesters, and mid-October for spring semesters, respectively.

Language of instruction

German or English – depending on the study program

Services offered for exchange students:

• pre-arrival online meetings
• housing service (on-campus and off-campus options)
• welcome & orientation program (info sessions, assistance in administrative matters, German language classes, German culture workshop, day trips within the region, fun activities)
• public transport travel pass for Darmstadt, Dieburg and the surrounding region (Frankfurt, Mainz, Marburg, Wiesbaden etc.) for the entire semester (free use of busses, trams and regional trains)

SHORT-TERM PROGRAMS
(TWO TO THREE WEEKS)

Students can join us for our International Summer University (ISU) or our Winter University Program (WUP). They have the chance to immerse themselves into German culture, earn academic credits towards their degree by attending one of our modules, enjoy a varied program including several company visits, excursions to nearby sights, and fun-filled social activities.

These are our innovative and inspiring modules:

• In Transition to a Pure Green Energy Economy
• Sustainable Supply Chains
• International Marketing and Sales
• Digital Transformation

We’re looking forward to welcoming your students in Darmstadt and Dieburg!

Find out more:

International Summer University:

Winter University Program:
classes in
