

European Roadshow 2014

Research, innovation and higher education

EU Delegation to India
EU Member States

Jan.-March 2014

Objectives of the roadshow

- Present opportunities available to Indian organisations (public and private) and researchers regarding R&I collaboration:
 - with the EU as such (Framework Programme)
 - with EU member states
- Present India-specific R&I support services (EBTC, Euraxess-Links India, Inno Indigo, etc.)
- Present opportunities available to Indian students regarding higher education in the EU

What is in the USB sticks ?

- Presentations made by the speakers
- General documentation on EU/MS R&I cooperation with India (catalogue of projects, compendium of mobility schemes, etc.)
- Documentation relating to Horizon 2020
- Documentation relating to EU MS programmes
- Information on India-specific support services (EBTC, Euraxess-Links India, etc.)
