

MEMORANDUM OF UNDERSTANDING

Between
Kyungpook National University
Republic of Korea
And
Indian Institute of Technology Kanpur
India

Kyungpook National University and Indian Institute of Technology Kanpur (hereafter referred to as both parties) enter into an agreement of cooperation to establish a program of exchange and collaboration in areas of interest and benefit to both parties.

Article 1

The objective of this Agreement is to establish a basic framework for conducting co-operative activities between the School of Mechanical Engineering at Kyungpook National University and the Department of Chemical Engineering DST Unit on Nanosciences at Indian Institute of Technology Kanpur that will benefit each institution respectively. Such co-operation is intended to result in a collaborative expansion of scientific and technical knowledge between both institutions.

The scope of the co-operative activities shall primarily consist of the following:

- Exchange of academic experience and research
- Exchange of graduate and upper-level undergraduate students
- Exchange of professionals for short, medium or long periods of time
- Development of new projects and joint research, advisory, and consultancy activities

Article 2

This Agreement is non-binding; and each co-operative activity shall be discussed in detail and consist of a statement of purpose and information on the duration, cost and other necessary terms for international co-operative activities. All financial arrangements will be negotiated for each specific case.

Both parties shall actively seek public and private funding to facilitate co-operative activities between the two institutions as stipulated in this memorandum.

Article 3

This Agreement will come into effect on the date of signature of both parties and shall not be annulled or modified except by mutual consent.

Article 4

This Agreement is to be executed in the English language and each copy is hereby officially certified to be authentic.

This agreement is signed and hereby made official by the following representatives:

On behalf of
Kyungpook National University

On behalf of
Indian Institute of Technology Kanpur
