

## MSPD Template, Dept of Physics (Y23 Onwards)

Year 1		Year 2		Year 3	
Sem I	Sem II	Sem III	Sem IV	Sem V	Sem VI
PHY401 [11]	PHY412 [11]	OE-1 [9/11]	PHY502 [9]	PHY696 [9]	PHY697 [9]
PHY421 [11]	PHY552 [11]	PHY462 [8]	OE-2 [9/11]	PHY698 [9]	PHY699 [9]
PHY431 [11]	PHY626 [11]	PHY501 [9]	PHY611 [11]	PG-OE-1 [9/11]	PG-OE-2 [9/11]
PHY441 [11]	PHY461 [08]	PHY623 [11]	DE-1 [09/11]	PG-DE-1 [9/11]	PG-DE-2 [9/11]
PHY888 [3]	PHY617 [12]	PHY612 [11]	PHY625 [11] Or PHY692 [12]		
<b>47</b>	<b>53</b>	<b>53-55</b>	<b>49-54</b>	<b>36-40</b>	<b>36-40</b>

*N.B.: Only 600 or above level DE/OE can be taken after migration to the PhD part of the program.*

### **Summer registration of MSPD students to do research-work**

MSPD students are expected to do research with prospective PhD-supervisors (and, hence, be eligible for financial assistance) during the summer terms before migration to PhD part of the program:

- 1) *PHY499, Summer Research Project, 0-0-0-3 (9), Departmental Elective:* Interested students may register for 18 credits worth of PHY499 in summer terms. DPGC convenor will be the instructor-in-charge and students will be allotted supervisors from the Department of Physics under whom they will do research-work. Co-supervisors from elsewhere are allowed. Grading scheme will be S/X.
- 2) In special circumstances, if a student needs to do other courses (e.g., to clear backlogs) during summer term, then they may register for only 9 credits worth of PHY499 if DPGC allows.
- 3) Daily biometric attendance of students taking PHY499 is mandatory during the summer terms.
